Meet Gardner-Webb

ACCREDITATION

The United States is divided educationally into convenient regions of accreditation. The individual college, when it meets minimum standards, is accredited by its regional association. Ordinarily accreditation by the regional association is, by courtesy, accreditation by all regional associations. That is, a person may transfer with ease from one accredited college in one part of the United States to another accredited college in any other part of the United States. In addition to regional accrediting agencies, each state has its own College Conference which follows fairly closely, sometimes more rigidly, the accrediting policies of the regional association.

Gardner-Webb College is in the region of the Southern Association of Colleges and Secondary Schools. Since 1948 it has been a member of that Association and fully accredited by it. It is also a member of, and fully accredited by, the North Carolina College Conference composed of forty-four colleges and universities in the State. Likewise it is accredited by the North Carolina Board of Education. It is authorized by the immigration authorities of the United States for the training of foreign students. By virtue of membership in the Southern Association of Colleges and Schools, it is approved by the American Medical Association for two years of Pre-Medical training.

Although the following are not accrediting agencies as such, the College is an active member of them:

American Association of Junior Colleges

The Southern Association of Baptist Colleges and Schools

The North Carolina Association of Private Junior Colleges

The North Carolina Foundation of Church-Related Colleges

The National Junior College Athletic Association

The Western Carolinas Junior College Athletic Conference

NATURE AND PURPOSE

So far as we can ascertain Gardner-Webb College is held in high esteem, and its standards of scholarship and service are respected by the colleges and universities to which some 85 per cent of its graduates transfer, and by the colleges of its class in its area, and by the people.

It is a two-year college. We believe that there is a vital and indispensable place for such an institution in our educational system. Its closely knit social life, the vital touch between teacher and pupil, the freedom, the comradeship in study, the economy of its charges, and the vital interest in individual problems which emerge in the search for and discovery of human values are among its advantages.

Gardner-Webb is a small institution. It is being built deliberately for a student body of 400 boarding students and not more than 200 day students. It is doubtful in the press of numbers that this size and quality can be preserved. It is recognized that this is a luxury in education which will be maintained only with difficulty. However, we are convinced that the small, well ordered, and highly accredited two-year college can do a quality of work which has not been attained in the larger colleges and universities. That more than 70 per cent of the enrollees in *Who's Who in America* are from small colleges attests to this. It is imperative, therefore, for Gardner-Webb to maintain high academic standards.

Gardner-Webb is a Christian college. We mean by this that the whole program is conceived as an adventure in quality values. To this end our Admissions Committee are motivated in the selection of students. Those who teach are selected and retained on the basis of their proficiency in scholarship, their unquestioned moral excellence, their love

of youth and desire to mould it into something priceless, and their sentiments of respect for and interest in the programs and purposes of the Baptist denomination. In this way it is the hope of the College that it may add to the number and quality of those who serve our people joyfully with distinction, with efficiency, and with humility. It is scarcely less important to have Christian laymen and laywomen of quality than ministers and missionaries. In brief, the first goal is to produce men and women of distinction and quality, and second, which follows naturally, men and women of efficiency, skill, and devotion in all the phases of the total life of our people, that the testimony of the College to the Christian Way may be vital. It is necessary, therefore, for Gardner-Webb to maintain moral standards in keeping with its high academic standards. The College cannot look with indifference upon drinking, gambling, dishonesty, and immorality. Neither can it approve secret marriages among the students, for the sake of the good name of the College.

More specifically Gardner-Webb is seeking to build its program around an intelligent understanding of the needs of all the people in its particular geographical area. In order to do this two things are essential:

First, the College must keep up through surveys in the communities and experimentation at the College a program of study to discover the needs of its people. It must also discover the boys and girls who should train to meet those needs and create in them the desire to train, and create for them the means by which they may be trained.

Second, the College must find and put into effect a program of adult education that will develop all the people; and it must expand and enrich its efforts at community service in health, economic development, civic and social welfare, and church-community development.

Finally, to help achieve these ends the College must gradually expand its guidance program in the entire geographical area served by the College in the churches, the Sunday Schools, and the high schools as well as in the College itself.

The College has three functions in its training program for students:

First, it attempts to give thorough training in the recognized disciplines to students who wish to go on to higher institutions of learning; second, it seeks to give the widest and richest training possible to those whose formal education will end here; and third, it attempts to give a

reasonable amount of vocational training, preferably on the background of a broad liberal education, to prepare students to enter fields of industry and home building.

LOCATION

Gardner-Webb College is located at Boiling Springs, in Cleveland County, North Carolina, near the foothills of the Blue Ridge Mountains, in the western Piedmont section of the state. It is on North Carolina Highway 150, nine miles west of Shelby.

Asheville is sixty-eight miles to the west, Charlotte fifty miles to the east, and Spartanburg, South Carolina, thirty-four miles to the south. Chimney Rock, and beautiful Lake Lure, Kings Mountain Battle Ground, and Blowing Rock are within easy reach for a day's outing. Trips to Mount Mitchell, Craggy Gardens, Grandfather Mountain, the Cherokee Indian Reservation, and the Great Smoky National Park make pleasant week-end travel experiences.

HISTORICAL SKETCH

Gardner-Webb College has a varied and interesting history. As early as 1903 the idea of establishing a school of high school grade, "where the young . . . could have the best possible educational advantages under distinctive Christian influence," was firmly fixed in the minds of the people of the Kings Mountain Baptist Association. By 1905 Boiling Springs was selected as the location of such a school and the Sandy Run Association had joined enthusiastically with the Kings Mountain group in the determination to build it. The school was chartered on December 2, 1905, as The Boiling Springs High School, Incorporated.

In 1907, construction work on the main building (Huggins-Curtis Hall) was started, and the cornerstones, one for the Kings Mountain Association, and one for the Sandy Run, were laid in June. In May of the same year Mr. J. D. Huggins was elected as the school's first principal. Thus the Boiling Springs High School continued under the leadership of J. D. Huggins, F. A. Brown, J. M. Hamrick, and W. J. Francis until 1928.

In 1928, after the campaign for funds by the Kings Mountain and Sandy Run Associations and the Baptist State Convention had been completed, the school was opened as a two-year College, with J. Blaine Davis as its first president and J. D. Huggins as the dean.

Very little change was made in the plant until 1939 when the buildings and grounds were partially renovated and beautified. The gymnasium was veneered with native stone, and by 1940 the E. B. Hamrick building, which had been burned, was under construction. This building had been erected after the First World War as a memorial to the boys from this section of the state who had given their lives in the cause of freedom.

In 1942 the people were led in an effort to raise $150,000.00, which effort resulted in the extension of the campus from five to thirty-five acres, the refinishing and refurnishing of the E. B. Hamrick building, the erection of the Washburn building, and the complete renovation and refurnishing of the dormitories.

In 1942 the trustees changed the name of the institution to Gardner-Webb College in honor of two prominent North Carolina families.

In 1946 the College was admitted to the Baptist family of colleges of North Carolina on the condition that by November, 1948, the friends of the institution raise, in addition to $750,000.00 for a plant, $250,000.00 for endowment. These conditions were satisfactorily and completely met.

Also, in 1948 the College achieved the goal of attaining the highest accreditation within its reach—full and unqualified membership in the Southern Association of Colleges and Secondary Schools.

BUILDINGS AND GROUNDS

Approximately 1,100 acres of land and twenty-four buildings comprise the physical equipment of the College. The campus proper, an eighty-five-acre tract of rolling land dotted with a variety of lovely trees, furnishes the location for the various buildings. All buildings are heated from a central heating plant.

RESIDENTIAL BUILDINGS

The James Webb Gardner Memorial Dormitory: This three-story structure completed in the fall of 1948 at a cost of $230,000 is fireproof and furnishes attractive accommodations for 134 men. In the attic is sufficient space to entertain visiting teams as well as space for a play room.

The Hoey-Anthony-Padgett-Young Dormitory: The central section of this dormitory was constructed in 1946. The east and west wings were added in 1948 to form an open quadrangle. The buildings were

named by the trustees as follows: The Suttle dormitory is the east wing of the quadrangle, the McMurry is the west wing, the Hoey-Anthony is the first floor of the central building and the Padgett-Young is the second floor. The dormitory was used as a residence for girls until Huggins-Curtis Hall was lost to fire in 1957. Since that time it has been used as a men's dormitory, with exception of the McMurry wing which is occupied by girls.

The Stroup Dormitory: First used during the year 1956-57, the Stroup Dormitory provides living space for one hundred girls. It is a three-story, fireproof, brick structure, with adequate parlors, reading rooms, recreation areas, kitchenette, and laundry room.

Apartments: The College owns five duplex apartments which may be used as needed by faculty or students.

An apartment building containing six apartments has been completely remodeled and is now occupied by married students. The College also owns three residences occupied by faculty and student families.

ACADEMIC BUILDINGS

The E. B. Hamrick Building: Dedicated in 1943, contains seven classrooms, biology and chemistry laboratories, administrative offices, auditorium, a broadcasting booth, and a two-manual Pilcher pipe organ.

The Washburn Memorial Building: A brick structure erected in 1941 by Mr. Seaton A. Washburn in memory of the Washburn families.

The John R. Dover Memorial Library: Completed during the year 1951, is one of the loveliest buildings on the campus. The library has on the first floor a large reading and reference area, stacks, librarian's office, receiving and processing room, and two special rooms for Cleveland County Archives and North Carolina History. The basement floor has six large classrooms and a special department for audio-visual aids and music appreciation. This building, completely furnished and equipped, is undoubtedly one of the finest libraries in the state.

The library contains over 15,000 volumes chosen to meet the needs and interests of the students, with special reference to the topics offered. Newspapers and a selected group of general and special magazines indexed in "The Reader's Guide to Periodical Literature" supplement the resources of the book collection. About 500 volumes are added an-

nually through purchase and gift. The gifts of books have been especially well chosen, and have been worthwhile additions to the library. Valuable, too, have been the gifts of money, whereby needed books might be purchased.

The O. Max Gardner Memorial Student Center: Completed in the autumn of 1948, the building was constructed and furnished by the family of the late Ambassador O. Max Gardner and is a worthy memorial to a great man. On the first floor the building contains kitchen, dining hall, refrigeration, storage, and offices. On the second floor are a lovely student lounge with approximately 3,000 feet of floor space, offices for public relations, student organizations, guidance clinic, and two society halls.

The Physical Education Building: As yet unnamed, is located between Decker Hall and the athletic field. It is modern in every respect for the development of strong healthy bodies. It contains one classroom, a band room, first aid room, lockers, rest rooms, showers, team rooms, and swimming pool. The band room is in the form of a stage, which gives opportunity to accommodate increasing numbers at banquets, commencement, and other programs. A commodious kitchen multiplies the usefulness of the building. As Gardner-Webb is a Community College in the highest sense, this building gives excellent opportunity for our community recreation program and for encampments and various other group programs of the denomination.

EXPANSION PROGRAM

On October 1, 1943, Gardner-Webb College started seriously on its program of expansion to care for four hundred boarding students. (The school has no plan to go beyond that number.) During the years of its expansion program more than two million dollars has been raised for land, buildings, equipment, grading and landscaping, and a third million for endowment. During that period twenty-one buildings have been erected. Thirteen are housing units and eight are administrative and academic.

Now, the most pressing immediate needs of the College and considered a must are as follows:

1. Indebtedness	$ 140,000
2. Science building	250,000
3. Administration building	75,000
4. Covering for swimming pool	30,000
5. Finishing the athletic field	45,000
	$ 540,000

Additional needs envisioned for the foreseeable future are:

1. Classroom building	$ 200,000
2. New dormitory for men	350,000
3. Library air conditioning	20,000
4. Additional property	35,000
5. Scholarship endowment	30,000
6. Endowment for special services	30,000
7. General endowment	500,000
Total future capital needs	$1,165,000
Grand total capital needs	1,705,000

The accomplishment of this long range program will enable Gardner-Webb College to continue as an outstanding two-year institution or become a four-year institution as the trustees and the convention may determine. However, these figures are estimations. They will progressively increase.

Campus Life

SERVICES

The College furnishes all rooms in the dormitories with single beds, dressers, chairs, and desks. Students are permitted the use of a radio, but no other electrical appliances. Each student is expected to provide his own pillows, blankets, and linens. Any student who wishes to provide them is allowed to have curtains, floor or desk lamp, and other personal articles. Irons may be used only at designated places. Television sets are provided in the parlors of each of the dormitories.

LAUNDRY AND DRY CLEANING

Two modern dry cleaning plants are near the campus and serve the needs of the students. Trucks from near-by laundries make regular trips to the College. Special laundry rooms are provided in the dormitories.

THE COLLEGE STORE

The College operates a snack bar, post office, and bookstore for the convenience of the students.

Here the students may get their textbooks and other classroom supplies which must be paid for at the time of purchase. There is a charge of 50 cents per student for post office boxes each semester.

MESSAGES AND MAIL

Gardner-Webb has an up-to-date telephone service with a private exchange. Telegraph messages intended for persons at the College, if sent to Shelby, will be telephoned to Gardner-Webb.

Mail arrives over star route four times daily. The College maintains mail delivery service on the campus.

HEALTH

A sound body is such a valuable asset and so requisite to effective study that the College does everything in its power to insure the best possible development of each student and to maintain his general health.

Meals are served in the cafeteria by the Slater Company, nationally known caterers of Philadelphia. These services have received complete approval by the students.

The College will provide for each student seven days of free hospitalization per semester (14 days per year) with free medical services, ordinary drugs and dressings. The College will not be responsible for treatment of a pre-existent condition, nor for surgical operations, or extraordinary drugs, and illness of so serious nature as to require hospitalization in a hospital outside Boiling Springs. All services must be rendered by the College physicians.

ACTIVITIES

GUIDANCE PROGRAM

The ideal of college life is that of a well-ordered Christian home, where each individual may have as much freedom as is consistent with the well-being of the group. The small college is well suited to achieve this ideal, and to this end students are granted many privileges here which could not be allowed at a larger school. Since it is our belief that growth in character comes only through the development of self-direction and self-control, rules and regulations are reduced to a minimum and are made or amended as may seem necessary for the good of the individual and the group. The responsibility for making and enforcing these rules and regulations rests jointly on faculty and students. For several years the College has had a system of student-faculty government, and all problems

of conduct are passed upon by the student judicial board. Serious cases are reviewed by the executive committee of the faculty.

One of the basic principles upon which Gardner-Webb operates is that discipline in its highest form is accomplished by a constructive guidance program. In keeping with this philosophy, the College maintains a Department of Guidance for the purpose of assisting the student to make the best possible adjustment to his college life, and to prepare himself in the best possible way for the responsibility of Christian leadership. The Department of Guidance seeks to provide individual counsel for every student enrolled in the College. This is effectively handled by placing each student in close contact with at least one member of the faculty. Every student is assigned to a counselor at the beginning of the year. The assignments are made on the basis of academic and vocational interest, and personal compatibility. Each counselor meets with his counselees in a general group meeting at least once each grading period and as many times in personal interviews as is necessary for the good of the student. In this role the counselor is more than a teacher. He is also the student's confidant and friend with whom the student may share his problems in every realm of life in a confidential way so that a solution of these problems may be reached for the highest possible good of the student.

The Department of Guidance maintains an office with student personnel files for the benefit of both counselors and students. The Director of Guidance works in close cooperation with the College Government, Faculty, and College Administration in handling student problems as they may arise. Students are encouraged to take advantage of all facilities made possible by the Department of Guidance for their college training and vocational choices.

The Department of Guidance has an expanding testing program with a library of tests including aptitude, achievement, vocational emphasis, and personality inventories. At the beginning of school each year the Department of Guidance is responsible for the testing program for all incoming students during orientation week. With the help of the faculty, at that time the department administers the standardized series of college entrance tests recommended by the National Freshman Testing Program. Through this program the faculty and administration have an accurate appraisal of the student's previous academic achievement. This material

may be of great assistance in teaching and guidance. Each student is given the results of his scores confidentially and provided with a profile sheet showing his percentile rating with the other members of his class at Gardner-Webb and also his position on the national level.

The cooperation of parents is earnestly requested in carrying out all the regulations of the school, especially in regard to week-end trips home and other absences from the campus. The school year has been arranged with a view to the convenience of its agricultural patrons; and in order to accomplish the required amount of work within the given time, it is necessary that students devote their whole time to it. It is vitally important to the education of the students that they take an active part in the morning and evening worship services in the local church. The church work at the College is planned as a part of the students' education as really as their class work or any other college activity. For them to miss that is to miss a central factor in their college life. For these reasons parents are urged not to request that students be away from the campus except for the one week-end a month that is provided for them.

Parents are invited to visit the College and to talk to or write freely about their children. The College officials are always glad to know the parents' point of view and to do anything in their power to correct any wrong, real or imaginary. They reserve the right of dealing with each problem on its own merit.

ORIENTATION

The orientation period is a varied phase of the College guidance program. During the first week of school students will follow a carefully planned program of orientation and registration. First year students should come to the campus on the day suggested by the College authorities. During orientation week each student is expected to meet the various requirements set forth by the Department of Guidance and take placement or other tests deemed advisable by the other departments of the College.

No student has completed his registration until he has met the requirements outlined in the orientation and testing schedule.

RELIGIOUS ACTIVITIES

Conduct at Gardner-Webb is based upon the practical expression of the Christ-life. The positive aspect of the Christian experience is stressed above the negative "thou shalt not." It is assumed that each student will find his place in the religious life of the campus and community without coercion except the inner urge of his own soul. A spiritual atmosphere is created by the friendly association of students and faculty. The student religious organizations are similar to those in an average church and community. It is the opinion of the administration that the religious opportunities are as valuable a part of the curriculum of the College as English or biology. This fact makes it very important that the student limit his week-end trips to a minimum in order that he may benefit from this training.

THE LOCAL BAPTIST CHURCH. Each Baptist student is urged to bring his church letter with him when he comes to College. Students of other denominations are invited to become identified with the fellowship and training of the local Baptist church. This tie with the local church gives the student a sense of security and opens many avenues for social and spiritual fellowship which he would otherwise miss while he is away from home. There is an unusually fine spirit of cooperation between the community and the College. The religious organizations of the College magnify the church and are, in reality, a part of its whole program.

THE METHODIST CHURCH. A Methodist church was organized in Boiling Springs in 1957. A building site has been purchased and erection of a church building is expected soon. Meanwhile the congregation meets in the Gardner Building on the College campus. Methodist students are invited to become members and attend services of this church.

SUNDAY SCHOOL. The local Baptist church provides a well-organized Sunday School into which the college students fit as members of the community. Of necessity, but without design, many of the classes are composed of college students only. Membership in a class is urged upon all students, but they are not required to join the Sunday School or any other religious organization or group on the campus.

TRAINING UNION. The Training Union, which has for its aim "training in church membership," attempts to enlist all students. Every student is urged to attend and will not in any way be pressed to change his views

about his own doctrines. A well-organized Training Union in the local church affords ample opportunity for observation and training for the members of the individual Unions.

THE YOUNG WOMAN'S AUXILIARY OF W.M.U. The Young Woman's Auxiliary, commonly referred to as the Y. W. A. and a part of the Woman's Missionary Union, enlists the young women of the College in mission study and actual service in local missions. The members are led to see the meaning of missions and to have a compassion for a world without Christ. All the girls who reside in the dormitory are invited to join the Y. W. A. by joining a circle, usually composed of those who live on the same hall.

THE CHRISTIAN VOLUNTEER BAND. The Christian Volunteer Band is composed of men and women who are volunteers for full-time Christian service. They are wide-awake, eager Christians, interested in becoming better workmen for God in their chosen field. This organization has bi-weekly meetings at which various topics of interest to pastors and religious workers are discussed. From time to time opportunity for Christian service is given in neighboring communities. The annual fish fry which this group enjoys is a special feature of the spring festivities.

THE BAPTIST STUDENT UNION. The student who aligns himself with the local church or with any of its organizations automatically becomes a member of the Baptist Student Union. The activities of these organizations are directed by the Executive Council of the Baptist Student Union (known as the B.S.U.). The Council is composed of the general officers of the B.S.U. and the presidents of the unit organizations, such as Sunday School, Training Unions, Y.W.A. groups, Volunteer Band, and Ministerial group. The Greater Council is composed of the Executive Council plus the roster of officers of the unit organizations. The local pastor and a faculty advisor serve as Counselors for the B.S.U. The B.S.U. Executive Council meets each Monday evening to plan the various activities for which it is responsible. The fellowship within this group is of the highest order and should set a standard of Christian character for the campus.

Many activities are sponsored by the Baptist Student Union. Council members select prayer mates and the other members of the Union are urged to do so. Morning watch is conducted each morning. The B.S.U. provides music for chapel, devotions, and group meetings. These spiritual

leaders on the campus operate as a unifying force among the religious organizations of the campus. If Gardner-Webb is friendly, and has the name of being spiritual, it is partly because these earnest-hearted young people are giving their best in the service of Christ in the activities of each day.

VESPERS. Vespers, sponsored by the B.S.U., are held at 7:00 p. m. in the auditorium of the E. B. Hamrick Building. All are welcome and urged to avail themselves of this opportunity for worship and meditation at the close of the day. This short period of worship is a spiritual power-house of the religious life of the campus.

CHAPEL. The faculty and students meet three times a week for chapel and assembly programs. These programs are of a varied nature and bring to the campus personalities who are outstanding in the fields of religion, education, business, and society. From time to time student groups provide interesting attractions. In all these meetings the spirit of worship is promoted. Attendance at chapel is compulsory and any student who has more than three unexcused chapel absences during any semester will lose credit for his semester's work.

SOCIAL ACTIVITIES

Considerable effort is made to provide an adequate and wholesome social program for the students. In addition to individual social opportunities between men and women a number of group activities are provided. The various clubs and classes plan their own outings, picnics, and entertainments. The church provides wholesome get-togethers for the students and community people. The College as such plans at least three formal banquets a year: Thanksgiving, Christmas, and the Alumni Banquet. It also gives an entire day devoted to athletic and other contests, honoring the students, and closes the day with the annual Freshman-Sophomore Banquet. Other events like faculty receptions, High School Day, and May Day round out the social calendar.

This year considerable study is being made looking toward providing attractive week-end enjoyment and social entertainment.

ENTERTAINMENT AND SERVICE

LYCEUM SERIES

Each year a number of outstanding artists, speakers, and entertainers present programs for the students, faculty, and their friends. Drama, music, and lectures constitute most of the programs. In addition to these, a series of excellent programs are provided by the faculty and artists from nearby towns and colleges.

DEPUTATION TEAMS

An excellent training, especially for those who plan to do church work, is service with the deputation teams. A faculty member organizes a number of teams consisting of three or four students. After careful training they go to churches for week-end services, sometimes for evangelistic purposes, and sometimes to demonstrate the work of various organizations and their function in the well-ordered church. Often these programs are used as laboratory work for speech classes.

INTELLECTUAL ACTIVITIES

PUBLICATIONS

The QUARTERLY is published in November, February, and May for alumni and friends of the college. The August issue serves as the College catalogue. This issue serves as the students' legal contract with the College. Prospective students may read it to discover their opportunities in the College, former students to see what the College is doing, and the general public to evaluate the educational program of the College.

The ANCHOR is the College yearbook, edited by the students under the supervision of a faculty advisor.

The PORTHOLE is the student handbook, and guides the new student in making his adjustment to college life.

The PILOT is the College newspaper, published monthly by the students under faculty supervision.

DEBATE

Debate teams are organized and trained. These teams take part in intercollegiate contests covering a wide area. They compete with teams from Senior Colleges as well as Junior Colleges. At least five tournament contests are planned for the year 1960-1961.

COLLEGE GOVERNMENT ASSOCIATION

By enrolling in Gardner-Webb College, one automatically becomes a member of the College Government Association. The purpose of this organization is defined in its constitution: "to afford students an opportunity to learn and observe the rules of community living, to promote responsibility, self-control, and loyalty, to keep all social life on the campus on a high plane and to have it always in harmony with Christian living."

The students' handbook, "The Porthole," containing the regulations of the Association, is distributed annually. During Orientation Week members of the Student Legislature assist the new students in understanding the regulations as set forth in the handbook.

Any serious disciplinary measure involving probation, suspension, or expulsion is first tried by the Judicial Board of the College Government Association after which it is reviewed by the Executive Committee of the faculty which has the power to approve or veto the student decision or to impose any other penalty.

CLUBS

THE MARSHAL CLUB is the honor society at Gardner-Webb. Membership in this organization is one of the highest honors attainable by students. Members are chosen on the basis of high scholastic standing, character, leadership, and service on the campus, and are inducted at an impressive "tapping" ceremony in chapel. They serve as ushers at public functions and marshals at graduation.

THE MONOGRAM CLUB is the athletic club for men. To qualify for membership a student must pass at least 9 hours of work with a "C" average and earn a letter in football, basketball, or baseball. The purpose of the organization is to foster good fellowship and good sportsmanship among members and to promote better relations with other schools in the Western Carolinas Junior College Conference.

The Music Club is composed of students who are taking any phase of applied music, and who are interested in furthering musical interests on the Gardner-Webb campus. Members are expected to participate in program presentations and to show active interest in all musical activities.

The Science Club represents the natural sciences and mathematics. Its aim is to stimulate an intelligent interest in science. Students who intend to major or minor in the natural sciences and who have outstanding scholastic records are eligible for membership. Programs of scientific interest are held at regular monthly meetings.

Regional Clubs may be organized by students provided there are as many as ten members from a section and they secure a faculty sponsor and the approval of the administration.

No secret societies are allowed among the students, and no organization is permitted unless approved by the faculty.

The Future Teachers Club. To be a member of the Future Teachers Club one must be in training for the teaching profession. The group meets periodically for fellowship and for discussions of problems related to the teaching profession.

The International Relations Club is composed chiefly of those students majoring or minoring in the Social Sciences. It devotes itself to a study of national and international affairs, and its main object is the promotion of peace.

The Sigma Pi Alpha Honorary Language Fraternity of Gardner-Webb College is composed of students taking foreign languages. To become a member one must have an unusual interest in languages and a high scholastic average.

The purpose of the fraternity is to stimulate interest; to acquire a more intimate knowledge of the people, life, customs, geography, history, industries, and cultures of foreign countries; and to make a contribution toward bringing about a better understanding between these countries and ours.

ATHLETICS

The Athletic Department of the College offers a well-rounded program for student health and recreation. This includes not only classes in Physical Education and Health, but also intramural sports, such as touch football, volleyball, basketball, tennis, track, and softball. These games afford the student recreation, and develop permanent interest in sports.

The College sponsors inter-collegiate Football, Basketball, Baseball, Tennis, Golf, and Track. Gardner-Webb is a member of the National Junior College Athletic Association and the Western Carolinas Junior College Conference.

FINANCES

The average cost per student at Gardner-Webb Junior College is approximately $350.00 per student over and above the amount each student is required to pay. This amount is contributed by the North Carolina Baptist Convention, churches, individuals, corporations, foundations, and from endowment funds of the College.

The part the student pays is as follows:

DAY STUDENTS

	Semester	Session
Tuition	$125.00	$250.00
General Fees	30.00	60.00
	$155.00	$310.00

BOARDING STUDENTS

Tuition	$125.00	$250.00
General Fees	30.00	60.00
Room	60.00	120.00
Board	175.00	350.00
	$390.00	$780.00

The above charges may be paid by the first day of each semester, year, or as follows:

We are glad to offer the convenient TUITION PLAN for those parents who prefer to pay in equal monthly installments. The following plans are available at the cost indicated:

One year plan (8 payments)—4% more than cash price

Two year plan (20 payments)—5% more than cash price

The two year plan includes Parent Life Insurance for qualified parents. This insurance coverage provides funds for the cost of the remaining period of schooling covered by the contract, if the parent who has signed the contract dies. A descriptive pamphlet will be sent upon request.

The Tuition Plan is optional and offered solely as a convenience.

The College prefers to deal directly with the student on all matters of business. This gives the student training in attending to his or her affairs. Parents are requested to ask for any report desired.

General fees of $30.00 per semester entitles each student to all home athletic contests, all student publications, lectures and entertainments sponsored by the College, all laboratory fees, typing fees, graduating fees, and medical services. Please refer to the student hand-book for the list of medical services to which each student is entitled. *Music fees are not included.*

Veterans approved for training under the G.I. Bill must pay their tuition, fees, room and board as regular students. The TUITION PLAN is available for them also.

Books and supplies are available at the bookstore and average from $35.00 to $50.00 per session. All books and supplies must be paid for in cash at time of purchase.

A $10.00 deposit is required of all men boarding students which will be used to repair any damage to buildings or grounds due to abuse or mis-use. Damage to rooms will be charged to occupants who are held responsible. This deposit, or any part not used, will be refunded not later than ten (10) days after the close of the session.

Payments are due in advance at the beginning of each pay period. No student will be permitted to take final examinations or permitted to remain in school if his account is in arrears unless satisfactory arrangements can be made with the Business Manager.

An admission deposit of $5.00 must accompany each application. If a student desires a dormitory reservation an additional $5.00, or a total of

$10.00, must accompany each application. This deposit is not refundable, unless the applicant is rejected by the Admissions Committee.

All student rooms are subject to inspection at all times. Students are required to keep their rooms in a neat, clean and orderly manner. Any student who is not willing to cooperate will be required to vacate his room.

Students who do not remain for the full semester are charged 10% additional for time they remain. However, no refund will be made in case of suspension or expulsion.

Special students who take less than 12 hours will be charged $15.00 per semester hour. For further information contact the Dean of Instruction.

SCHOLARSHIPS

Freshman Scholarships: A limited number of competitive scholarships are available to entering Freshmen.

The College offers to the Freshman making the highest scholastic average at Gardner-Webb a $54.00 scholarship for the sophomore year.

George and Ida Wood Blanton Scholarship: In 1955 George Blanton and Ida Wood Blanton of Shelby, North Carolina, created a $10,000.00 Trust Fund to be known as the George and Ida Wood Blanton Scholarship Trust for the purpose of encouraging and promoting the education of capable and deserving boys and girls through the facilities of Gardner-Webb College. The income from this fund is to be used by qualified students studying at Gardner-Webb College.

The Clarence N. Peeler Andrews Memorial Scholarship Fund: Mrs. Hattie Peeler Self of Cherryville and her daughter and son-in-law, Dr. and Mrs. W. B. Andrews, have established a trust fund of $10,000.00 in memory of Clarence N. Peeler Andrews, grandson and son of the donors. The income from this fund is to be used to aid worthy young men and women attending Gardner-Webb College.

M. G. Martin Memorial Scholarship: In 1927 Mrs. Ellen E. Martin of Mooresboro, North Carolina, gave the school $2,500.00 for the purpose of creating and establishing the M. G. Martin Memorial Scholarship. The interest coming from this scholarship fund is to be used for the education of ministerial students, preferably those related to M. G. or Ellen E. Martin. The amount now available from this fund is $75.00 per year.

Valedictorian, Salutatorian, Best Citizen: The College offers a $56.00 scholarship to every high school valedictorian and a $28.00 scholarship to every salutatorian. In the event that the high school recognizes the best citizen from the graduating class, the student is also offered a $56.00 scholarship. The College will award these scholarships upon the statement of the high school principal that the student is eligible. However, no student will be eligible for more than one of the three.

All scholarships are applied on second semester fees.

STUDENT HELP

Student Aid: A ministerial student approved by his church and association, or a missionary student who presents a recommendation for the mission field from his or her home church, will be allowed a ministerial scholarship of $50.00 per year, provided the conditions outlined by the Board of Trustees are accepted by the student. These conditions include grades averaging "C" or above on all work. A minister's wife is also entitled to the same, while sons and daughters of ministers actively engaged in preaching will be allowed half of this amount, $25.00.

Sons and daughters of employees of the College are entitled to $50.00 scholarships per year.

Student Work Contracts: Various kinds of work are provided on the campus for students who need to help defray their college expenses through work. These include work in the library, cafeteria, and the bookstore, etc. In accepting work in any of these departments, it is expected that the student maintain a satisfactory scholastic record and prove himself capable of the responsibility required for his work. Work must be approved by a faculty supervisor before the student is paid. Students work by the hour and payments are made by credit to the individual student's account.

To make application or obtain additional information about the student work program, write the Business Manager of the College.

General Academic Information

REQUIREMENTS FOR ADMISSION

In order to be admitted to the College, a student must first make application. A blank for this purpose will be furnished upon request to the Registrar. All applicants for admission should be in good health and present a doctor's certificate to that effect.

A transcript blank will be furnished to each student whose application is received. This blank is to be filled in by the high school Principal or Superintendent and sent to the Registrar. This record must be approved by the Dean before a student can be accepted as a regular college student.

The following distribution of units will meet almost any situation:

English	4	units
Language	2	units
Social Science	2	units
Algebra	1½	units
Plane Geometry	1	unit
Natural Science	1	unit
Electives	4	units

Gardner-Webb College does not prescribe a fixed subject pattern for admission but evaluates the student's record in light of his chosen course of study. The quality of work and the distribution of units must indicate sufficient preparation for the chosen course of study. If he is found deficient in any subject, or if he does not meet the entrance requirements of the school to which he plans to transfer, he may remove the deficiency in the following way:

1. FOREIGN LANGUAGE. An applicant who takes a course which includes foreign language should offer two units in that language for admission. If he offers less than two units, he may begin language in College.

2. MATHEMATICS. An applicant who elects Mathematics 101 should offer one and one-half units in algebra and he must offer one unit in plane geometry or take it without college credit. Plane geometry may be taken along with Mathematics 101 but must be completed before a student is admitted to Mathematics 102.

METHODS OF ADMISSION

1. REGULAR
   a. Those who have been graduated from an accredited high school with a minimum of fifteen units.
   b. Adults who have the equivalent of graduation on the basis of G.E.D. Test, or a State High School equivalency certificate.

2. SPECIAL
   a. A limited number of applicants for certain courses in music.
   b. A few select students of mature years are admitted to classes by special permission of the Dean regardless of previous training. These students do not receive college credit.

The College reserves the right to reject any application without giving a reason.

ADMISSION TO ADVANCED STANDING

A student may be admitted from another college provided he presents an official transcript of his work which shows in addition to the college record a detailed distribution of units offered for college entrance and the name of the high school from which these entrance units were received.

In general any work on which a student has earned a passing grade will be accepted provided it fits into the curriculum pursued at Gardner-Webb.

Regardless of the amount or quality of work done at the other institution, the student must average "C" on all work at Gardner-Webb in order to be eligible for graduation. The overall average, however, on all work done at whatever institutions must be "C".

REGISTRATION

Certain days at the beginning of each semester or summer term are set aside for registration. Students who register after the designated time will be charged a fee of $1.00 for late registration. No student will be permitted to register after two weeks from the beginning of classes in any semester.

During the registration period a student observes the following procedure: (1) secures from the Registrar's office permission to register and receive necessary information and blanks; (2) arranges his schedule of classes with the help of a faculty advisor; (3) has his course of study and schedule of classes approved by the Registrar; (4) makes payment of fees to the Business Manager.

A student will not receive credit for any course for which he has not registered.

By approval of the Dean, a course may be added within two weeks or dropped within six weeks from the beginning of the semester.

A fee of $1.00 will be charged for any change in schedule after the close of the registration period.

Unless granted special permission, no student passing less than ten hours during a semester will be permitted to register for the following term.

CLASSIFICATION

Students are classified at the beginning of each semester or summer term.

Those who register for as many as twelve semester hours which will count toward graduation, are freshmen.

Those who register for at least twelve hours, and have already earned thirty semester hours credit, are sophomores.

Those who are not included in either of the above groups are special students.

EDUCATION PROGRAM FOR VETERANS

Gardner-Webb College is approved by the Veterans Administration to offer a course of education to eligible veterans under Public Laws 16, 346, 550, and 894. Veterans planning to attend Gardner-Webb should confer with a representative of the Veterans Administration before the opening date of school, so that proper application and approval may be completed without undue delay. Veterans without any disability should have Certificates of Eligibility and Entitlement when they arrive at Gardner-Webb, for presentation to the Business Manager.

CLASS ATTENDANCE

Class attendance is required. Each semester, a student is allowed as many absences for which he does not have to account as the particular course carries semester credit hours. All other absences must be excused or the student will lose credit for the course or courses during the semester in which excessive absences occur. In no event may total absences from any class for any cause exceed 25% of the number of class meetings of that course during the semester.

Absences shall be excused for authorized representation of the College. All other absences must be validated by the Dean of Instruction within seventy-two hours after the student returns to school. Responsibility for getting absences excused rests entirely upon the student.

TARDIES

Three unexcused tardies will count as one unexcused absence. Tardy excuses may be submitted to the teacher of the course in which the tardy occurs.

CHAPEL ATTENDANCE

Chapel attendance is required. A student is allowed three chapel absences each semester for which he does not have to account. All other absences must be excused or the student will lose credit for all his work during the particular semester in which the excessive absences occur.

GRADING SYSTEM

Southern Association Standards

A—Excellent (95-100) 3 quality points for each semester hour.

B—Above average (88-94) 2 quality points for each semester hour.

C—Average (78-87) 1 quality point for each semester hour.

D—Below average (70-77) no quality points.

F—Failure (below 70) no quality points.

I—Incomplete. An "I" indicates that the student has not turned in assigned written work, or that he has not yet taken a test or examination, although he has a valid excuse. An "I" automatically becomes an "F" unless removed during the following semester.

Any subject dropped after six weeks is recorded as an "F". Any subject dropped without the permission of the Dean is also recorded as an "F".

Repeating courses—A course may be repeated in order to raise the grade only if the previous grade made was a "D". In such a case, the last grade made is the one that counts.

EXAMINATIONS AND REPORTS

Written examinations are required in every course at the end of each semester. Students who do not take these examinations at the

scheduled time will receive a failing grade in that subject unless excused by the Dean. If the student is excused, his grade will be recorded as "Incomplete."

If a student is absent from a test which has been previously scheduled, he is given a grade of zero on that test and is not allowed a second test unless recommended by the teacher and given an excused absence by the Dean. In this case the student pays to the Business Manager a special fee of $1.00 for a test, or $3.00 for a final examination.

Reports of the student's progress are made at the end of each nine weeks, indicating the grade of scholarship and attendance at class and chapel. Summaries of these reports are given to the students at the end of each grading period. Parents are mailed semester grades only unless the student's progress for any given period is not satisfactory. Only the final semester grade is recorded on the student's permanent record.

STUDENT REPRESENTATION

Only students who passed 10 semester hours with an average grade of "C" on these 10 hours during his previous semester and currently carrying the normal student load may represent the College in public functions. The faculty or its executive committee may at any time declare a student ineligible to represent the College not only because of poor work but also because of improper conduct.

Students who are readmitted to the College on probation, either academic or disciplinary, are not eligible to represent the College until the probation has been removed.

STUDENT LOAD

The normal load for a regular student is 17 hours; however, with permission of the curriculum committee a student may take 19 hours as the maximum. Unless he secures special permission of the Dean, every regular student is required to register for at least fifteen hours. No regular student may drop below twelve hours during a semester.

POINT SYSTEM

In order to protect students from too heavy a load and to afford more individuals an opportunity for experience and leadership in organized groups, a point system has been inaugurated to cover all the extra-curricular activities, including membership and office-holding in athletic, literary, and religious organizations. A full explanation of the point system is given in the student handbook, THE PORTHOLE.

WITHDRAWAL

If a student withdraws from school, he should notify the Business Manager and the Registrar; otherwise he is not entitled to an honorable dismissal.

Students who have been requested to withdraw are not permitted to register again during the current year.

AWARDS

In memory of the late Professor J. D. Huggins, Mr. L. R. Harrill, State Director of 4-H Clubs, offers a citizenship medal to the senior boy making the best record in scholarship and general interest in college activities.

In memory of the late Miss Etta L. Curtis, Mr. R. E. Price offers a citizenship medal to the senior girl making the best record in scholarship and general interest in college activities.

The Rev. John W. Suttle and Mrs. Suttle offer a medal to the student making the best record in Bible courses and having the best grasp of Bible teachings.

The winners of these three awards are selected by the faculty.

ADDITIONAL AWARDS

College Woman's Club Scholarship Award.

Dedmond Debater's Cup, honoring Mr. Henry B. Dedmond, given by Mr. Francis B. Dedmond.

NUMBERING SYSTEM

Freshman courses are designated by numbers 100-199; sophomore courses 200-299. First semester courses are designated by odd numbers; second semester, even numbers.

SUMMER SCHOOL

Gardner-Webb offers a summer school for the advantage of (1) those who wish to shorten the time required for their education, (2) those who wish to enrich their education by taking more than the minimum requirements, and (3) those who wish to take courses that they need to meet graduation requirements.

Complete information both as to courses offered and expenses may be obtained by writing to the Director of Summer School, Gardner-Webb College, Boiling Springs, North Carolina.

EVENING SCHOOL

There will be a limited number of courses offered for credit in the evening. All courses will be offered subject to a minimum enrollment of ten students to each class.

Contact the Registrar for further information.

REQUIREMENTS FOR GRADUATION

General Requirements

A diploma will be awarded to any student who (1) completes one of the following outlined courses, (2) earns as many quality points as semester hours earned, (3) exemplifies good moral character, (4) speaks and writes good English, (5) completes the sophomore year's study at Gardner-Webb.

Academic Requirements

I. LIBERAL ARTS

This course is recommended for all students working toward a bachelor's degree, Bachelor of Arts, Bachelor of Science, Bachelor of Business Administration, etc. This includes courses for students interested in various vocations such as teaching, social service, the ministry, library science, research, business administration, law, etc. Also refer to the outline of courses below the Liberal Arts under the pre-professional groups for additional recommendations relative to specific vocations.

I. ENGLISH

Mr. Dedmond — Mr. Osborne — Miss Copeland

Mr. Palmer — Dr. Elliott

A. ENGLISH COMPOSITION

101-102. Grammar and Composition. This course provides for a thorough review of grammar and the mechanics of composition. There is frequent and extensive practice in theme writing, both formal and informal. The details of grammar are thoroughly covered by means of practice sheets and work books. Guidance is given in the selection of literary works which serve as models for the student's own compositions. Required of all freshmen. Three classes a week, both semesters. *Six semester hours credit.*

205. Journalism. A course in the fundamentals of news and feature writing, including some editorial and advertising basic treatments as well as radio script writing.

Prerequisite: English 101-102. Three classes a week first semester. *Three semester hours credit.* Repeated second semester on sufficient demand.

B. LITERATURE

201-202. ENGLISH LITERATURE. A survey course in the history and development of English literature from *Beowulf* to the present. Three classes a week, both semesters.

Prerequisite: English 101-102. *Six semester hours credit.*

211. SHAKESPEARE. An elective three-hour course which consists of an intensive study of the four great tragedies—*Hamlet, Macbeth, Othello,* and *Lear*—and the study of representative plays from the histories and comedies. Other plays will be read as parallel.

Prerequisite: English 101-102. Three classes a week, first semester. *Three semester hours credit.*

222. AMERICAN LITERATURE. An elective three-hour course designed to acquaint the student with the major American writers and their works. The writers and their works will be studied against the background of the literary movements of which they were a part.

Prerequisite: English 101-102. Three classes a week, second semester. *Three semester hours credit.*

II. FINE ARTS

MISS MILLER MR. DEDMOND MR. LAMM
MRS. GIDNEY MRS. PLASTER

A. MUSIC

Students of varying degrees of advancement are admitted to the music department. However, to obtain college credit for any course in applied music, whether organ, piano, or voice, certain standards must be maintained. Therefore, a certain degree of advancement is assumed. Achievement tests in theory may be given to all students enrolling for piano or voice if college credit is desired. Supplementary theory instruction may be available to those students who lack sufficient knowledge of the necessary fundamentals of music. This would be considered part of the applied music course for all voice or piano students obtaining college credit for their lessons.

Students who wish to learn how to play or sing may study without receiving college credit. No quality points are earned, but their lessons will be counted in their college load of hours to be taken. This will enable a student to learn music though he has not had previous opportunity for study.

All students are encouraged to take two lessons a week, since they will learn more quickly and will do a better quality of work. Each student is required to practice a minimum of six hours per week whether obtaining credit or not. Voice or piano students of especial aptitude and degree of advancement are urged to do supplementary practice when possible.

Interviews to determine the pupil's ability to play or sing will be given during registration week by appointment with the instructors themselves. A voice student desiring credit must demonstrate his ability to sing on pitch and with musical intelligence by performing an art song, an old English melody or a song by a contemporary composer.

A piano student desiring credit should be able to play a Bach selection, an exercise of the difficulty of Duvernoy Op. 120 or Burgmuller Op. 100 and a piece of similar difficulty. Those majoring in piano should be prepared to play a movement from a Haydn, Mozart or Beethoven Sonata in addition to the above selections.

Those students who expect to major in music should take Theory 103-104 and two lessons of applied music their first year. They should take Theory 201-202 their second year. All should take two lessons of applied music. By special permission a second year student can take both theory courses at the same time if his previous musical and academic records are satisfactory to the instructor in the department.

Opportunities exist for performance in formal and informal recitals both on and off campus. All voice or piano students obtaining credit are required to appear in a certain number of afternoon and evening recitals. They are also required to attend all faculty recitals, to attend seventy-five per cent of student recitals, and to appear before the music board. Requests for participation on radio programs, club programs, and in churches are constantly being met.

A music club is to be organized. This will consist of students taking applied music.

1. ORGAN

21-22. PREPARATORY ORGAN. Before studying organ the student should show a proficiency in piano playing. Students of varying degree of advancement are admitted to this course. Stainer's "The Organ" will be used. Simpler church music and suitable hymn arrangements. *No credit.*

101-102. FRESHMAN ORGAN. Advanced technique. Bach's "The Liturgical Year" (Riemenschneider Edition), Bach's "Little Preludes and Fugues", Mendelssohn Sonatas and selections by Guilmant. More difficult material selected from course entitled Organ 103-104. *Six semester hours credit.*

103-104. FRESHMAN ORGAN. Manual and pedal technique and fundamentals of registration. Transposition of pedal and manual exercises, hymn playing and accompanying. Buck "Studies in Pedal Phrasing For The Organ" and Dickenson "The Technique and Art of Organ Playing". Bach Chorales, Bach "Little Preludes and Fugues", Guilmant and Batiste church preludes and offertories. *Four semester hours credit.*

201-202. SOPHOMORE ORGAN. Continuation of previous year's work. Pieces by Vierne, Purcell, Brahms, Pachelbel, Walther, Buxtehude, Mendelssohn, Widor, Dubois. *Six semester hours credit.*

203-204. SOPHOMORE ORGAN. Continuation of previous year's work with less difficult selections by the above composers. *Four semester hours credit.*

2. PIANO

21-22. PREPARATORY PIANO. Emphasis is placed on accurate fingering, correct hand position, rhythm, tone production and accuracy of text. Major and minor scales in comfortable tempo, triads and arpeggios. Books used include Felton "Adult Beginner's Book", Kohler Op. 157, Streabogg Op. 63, Bach Minuets, Chorales and suitable compositions from the classic and modern composers. *No credit.*

101-102. FRESHMAN PIANO. All major and minor scales, tonic, dominant seventh and diminished seventh arpeggios, chords and octaves at a comfortable tempo. Czerny-Liebling Vols. II and III, Heller-Philipp Vols. I, II, III. Bach Two-Part and Three-Part Inventions. Sonatas by Haydn, Beethoven and Mozart, together with varied selections from the romantic, impressionistic and modern composers. *Six semester hours credit.*

103-104. Freshman Piano. Material selected from the above course with substitutions when student is not sufficiently advanced. *Four semester hours credit.*

201-202. Sophomore Piano. Technical material as outlined in Freshman 101-102, but at a more rapid tempo. More difficult sonatas and compositions from the varied schools. *Six semester hours credit.*

203-204. Sophomore Piano. Material selected from among that outlined in Freshman 101-102, but more difficult sonatas, pieces and books will be taught. *Four semester hours credit.*

3. VOICE

21-22. Preparatory Voice. It is assumed that a student taking this course will either be a high school student, or a college student lacking sufficient piano and theoretical knowledge to enable him to obtain credit. *No credit.*

103-104. Freshman Voice. Fundamentals of good singing through use of the bel canto method; position and poise of the body; correct use and control of the diaphragm; development of freedom and flexibility of voice; good tone quality; distinct enunciation. Study of simple English, Italian and French songs. *Four semester hours credit.*

203-204. Sophomore Voice. Technical work of first year continued on more advanced basis. Further development of range and power. More difficult songs including arias from the standard operas. *Four semester hours credit.*

4. THEORY

101. Music Appreciation. This course is offered to non-music majors and is intended to furnish a background for the intelligent appreciation of music. No previous technical knowledge is necessary. Lecture material and outside readings supplement the use of music records. Two laboratory hours of record listening per week will be required. Prompt attendance at these is necessary. Two classes a week; may be offered either semester. *Two semester hours credit.*

103-104. Sight-Singing and Ear-Training. Offered to music majors and to those of similar musical comprehension. It includes fundamentals of music, notation, scales, chords, sight-singing, melodic and rhythmic

dictation. Less difficult keyboard and written harmony and elementary modulation. Five clock hours per week, both semesters. *Six semester hours credit.*

106. CHORAL CONDUCTING. An elementary course in rudiments of conducting, building a choir, choosing voices, planning choral programs, directing the church choir, children's choirs, etc. Procedures for teaching new choral music. Open to students who have had training in voice, piano, organ, and other instruments, or with consent of instructor. Two classes a week; may be offered either semester. *Two semester hours credit.*

201-202. HARMONY. Offered to music majors and to those of similar musical comprehension. It is a continuation of keyboard and written harmony but is a more advanced presentation. Three classes a week, both semesters. *Six semester hours credit.*

5. BAND, CHOIR, AND GLEE CLUB

101-102. BAND. Band try-outs will be held at the beginning of each year. Students who desire to take band should have played in a band for at least one year. Rehearsals will be held three hours each week throughout the year. *Two semester hours credit.*

105-106. CHOIR. The College Choir is composed of 40 voices chosen at the beginning of the year by the Director. Rehearsals are held three hours each week throughout the year. The works memorized include the compositions of modern and ancient composers. In the second semester the Choir prepares a concert program which is presented at various churches in the vicinity of the College. *Two semester hours credit.*

107-108. GLEE CLUB. The Glee Club is a mixed chorus of thirty-five voices determined by auditions held at the beginning of the year. Rehearsals are held twice a week. Material studied includes secular selections for men's chorus, women's chorus, and mixed chorus. *Two semester hours credit.*

B. SPEECH AND DRAMATICS

1. SPEECH

101. FUNDAMENTALS. A study of the mechanics of speech with special emphasis to defective speech habits and suggestions for their correction. This course includes oral reading, short speeches, and recordings for purposes of correction and instruction. Three classes a week, first semester. *Three semester hours credit.*

102. Public Speaking. A study in the art of preparation and presentation of public discussions. Special attention is given to developing the student's speaking personality. This course includes platform and radio speaking. Prerequisite: Speech 101. Three classes a week, second semester. *Three semester hours credit.*

103-104 and 203-204. Forensics and Debate. A course offering training in forensics and debate for students representing Gardner-Webb College in intercollegiate competition. The course may be taken in both the Freshman and Sophomore years for a total of four semester hours credit. Two classes a week, both semesters. *Two semester hours credit each year.*

2. DRAMATICS

101-102. Play Production. Theory and laboratory work in directing, acting, scene-designing, costuming, lighting, make-up and stage settings are emphasized. Beginning with the one-act play and progressing to the more complicated three-act play, drama of literary merit is studied and produced. This course is designed to meet the needs of the amateur producer as well as to develop the individual's latent dramatic talents. Minimum of thirty-four classes and sixty-eight hours of laboratory. *Four semester hours credit.*

III. LANGUAGE

Mrs. Pollock Dr. Poston Miss Mabus

A. CLASSICAL

1. LATIN

101-102. Beginning Latin. This includes mastery of declensions and conjugations and a careful study of syntax. All basic constructions are learned, so that any simple Latin text may be read. Derivations of English words and an understanding of Roman background are stressed. Three classes a week, both semesters. *Six semester hours credit.*

201-202. Advanced Latin. Prerequisite: Latin 101-102 or its equivalent. A continuation of the study of Latin grammar with more difficult translation. History, political and military life, and customs of the Romans are studied further and additional English vocabulary gained through derivatives. Three classes a week, both semesters. *Six semester hours credit.*

2. GREEK

101-102. BEGINNING GREEK. A thorough study of the Koine Greek of the New Testament. Emphasis upon grammatical forms, translations into Greek and English, simple syntax. During the second semester selected portions of the Greek New Testament are read and exegeted. Text: *Beginner's Grammar of the Greek New Testament* by W. H. Davis. Five classes a week, both semesters. *Ten semester hours credit.*

201-202. ADVANCED GREEK. A comprehensive and detailed review of grammar with emphasis upon the syntax of the noun, the verb, and clauses. Advanced reading and exegesis of selected portions of the Greek New Testament. Text: *A Manual Grammar of the Greek New Testament* by Dana and Mantey. The differences between the Koine Greek and the Classical Greek will be studied. Students will be required to purchase the book *An Introduction to Greek* by Crosby and Schaeffer. Three classes a week, both semesters. *Six semester hours credit.*

203-204. SIGHT READING. A supplementary course in sight-reading. Selected passages from the Greek Testament will be read in class without preparation. This course may be taken along with Greek 201-202. One class a week, both semesters. *Two semester hours credit.*

B. MODERN

1. FRENCH

101-102. ELEMENTARY FRENCH. This is planned for those who have no knowledge of the language or who have not completed two units of high school French or its equivalent. It presents the simpler grammatical construction, introduces a practical vocabulary, and informs the student concerning French life, customs, and manners. This is done by means of reading, translation, dictation, and conversation. Three classes a week, both semesters. *Six semester hours credit.*

103-104. INTERMEDIATE FRENCH. Prerequisite: French 101-102 or two units of high school French or its equivalent. This is a continuation of the work begun in French 101-102. It consists of a thorough review of grammar and composition, a study of French civilization, and the reading of selections from such authors as Alphonse Daudet and Anatole France. Conversation based on reading and on current events adds interest to the class activities. Three classes a week, both semesters. *Six semester hours credit.*

201-202. French Literature. Prerequisite: French 103-104 or its equivalent. This is a survey course covering the literature of France from the Old French period through the first thirty years of the present century. The causes and development of the various literary movements are stressed. Particular attention is given to the literature of the Renaissance and to French Classicism, Romanticism, and Realism. Three classes a week, both semesters. *Six semester hours credit.*

2. SPANISH

101-102. Elementary Spanish. This course is planned for those who have little or no knowledge of the language and people of Spain and Hispanic America. It presents the fundamentals of grammar and composition, a basic vocabulary, and the most used idioms. It attempts to make possible the practical use of the language by reading, dictation, and conversation. Phonograph records are used for ear training. Three classes a week, both semesters. *Six semester hours credit.*

103-104. Intermediate Spanish. Prerequisite: Spanish 101-102 or two units of high school Spanish. This course, a continuation of Spanish 101-102, is planned to review grammar and composition, to enlarge vocabulary, to encourage the use of current idiomatic construction, to develop more accurate aural perception, and to stimulate an interest in, and understanding of the literature and lives of the Spanish speaking people. Some of the texts used present the history of South America from the era of exploration and colonization through the securing of independence from Spain by the colonists. Other texts present the social, political, and economic problems of the modern nations. Phonograph records made by native speakers add interest to the class work and help to develop aural perception. Three classes a week, both semesters. *Six semester hours credit.*

201-202. General Survey of the Literary and Cultural Heritage of Spain. Prerequisite: Spanish 103-104 or its equivalent. This course merely touches upon current problems of Spain. Emphasis is upon the economic, political, social, and cultural development of the nation and their influence on the literature. Three classes a week, both semesters. *Six semester hours credit.*

IV. NATURAL SCIENCE AND MATHEMATICS

Mr. Dixon — Mr. Moseley — Mr. Stacy
Mr. Hudson — Mrs. Miller — Mr. Godwin

A. NATURAL SCIENCES

1. BIOLOGY

101-102. GENERAL BIOLOGY. A general introductory course in Biology designed to acquaint the student with basic characteristics of living matter, including a survey of plant and animal kingdoms. Metabolism, growth, reproduction, heredity, and other biological concepts are studied. Two classes and two, two-hour laboratory periods a week, both semesters. *Eight semester hours credit.*

2. CHEMISTRY

101-102. GENERAL INORGANIC CHEMISTRY. Introduction to Chemistry emphasizing fundamental laws and theories of chemical principles and their application.

Subject matter covered includes atomic structure, problems and equations, oxidation-reduction, nuclear and organic chemistry in addition to the study and preparation of the more common elements and compounds, with the periodic chart as the background of theory. Three one-hour lectures and one three-hour laboratory per week. *Eight semester hours credit.*

3. PHYSICS

201-202. GENERAL PHYSICS. A study of basic college physics. Mechanics and properties of matter, heat, wave motion, sound, light, magnetism, and atomic physics. Prerequisite: Mathematics 101, 102, or 111, 112. Three one-hour lectures and one three-hour laboratory period per week, both semesters. *Eight semester hours credit.*

B. MATHEMATICS

27. PLANE GEOMETRY. The geometrical concepts are fully developed and the basis of congruence is thoroughly taught. From that point on the course moves rapidly with a wide application of geometric facts to many, varied problems. Stress is given to mensuration, congruence, and similarity. The purpose of this course is to teach students processes of analytical thinking and of critical evaluation of data. Three classes a week, one semester. *No college credit.*

101. COLLEGE ALGEBRA. This is basic functional mathematics for all types of college students (business, actuarial, and others). Content: fundamentals, special products and factoring, fractions, linear equations, exponents and radicals, quadratic equations, systems and quadratics, ratio, proportion, variation, the binominal theorem, progressions, theory of equations. Three classes a week, first semester. *Three semester hours credit.*

102. Plane Trigonometry. Functions of acute angles and logarithms are given substantial application. Then the functions of the general angle are developed with attention to the associated theory. Emphasis is given to the practical side of trigonometry; extraction of roots; logarithmic calculations; construction of vectors; and calculations of areas, distances, and directions. The content includes identities, oblique triangles, composite angle, mil, radian, and inverse functions. Three classes a week, second semester. *Three semester hours credit.*

106. Solid Geometry. Prerequisite: Plane Geometry. Spatial concepts are thoroughly developed. Mensuration is stressed. Attention is called to formulas that will be useful in physics, engineering, and advanced mathematics. Two classes a week, second semester. *Two semester hours credit.*

104. Mathematics of Finance. This course deals with simple and compound interest laws, annuities, sinking funds and amortization, depreciation, bond evaluation, insurance, and other applications. Three classes a week, second semester. *Three semester hours credit.*

MATHEMATICS FOR ENGINEERS

Students who plan to study engineering are required to take Mathematics 111, 112, and 113. These courses are recommended for those who plan to major in mathematics.

111. Algebra for Engineers. The first part of this course is the same as Mathematics 101. The last part is devoted to a more complete study of mathematical induction, inequalities, theory of equations, and partial fractions. Six days a week, first twelve weeks. *Four semester hours credit.*

112. Trigonometry for Engineers. The first part of this course is the same as Mathematics 102. During the last few weeks consideration is given to inverse functions, complex numbers, and the solution of spherical triangles. Six days a week, second twelve weeks. *Four semester hours credit.*

113. Analytical Geometry. A study of the relations between curves and their equations. Loci of equations, straight line, circle, parabola, ellipse, myperbola, general second degree equation, polar co-ordinates, transformation, parametric equations and transcendental functions. Six days a week during last twelve weeks. *Four semester hours credit.*

201-202. Differential and Integral Calculus. A course in the fundamental principles of calculus including the formulas for differentiation of algebraic and transcendental functions with application to geometry and to problems in rate, maxima and minima, curve tracing, curvature, areas, volumes, work, pressure, velocity and acceleration.

Integration of algebraic and transcendental functions, definite integral, with applications to problems in area, volumes, lengths of arcs, surfaces, centroids, pressure, force, work. Indeterminate forms, methods of integration, and series. Four classes a week, both semesters. *Eight semester hours credit.*

C. PSYCHOLOGY

201. General Psychology. A study of the basic facts and principles of psychology. This course is designed to acquaint the student with the scientific aspect of psychology and provide a basis for further study. Open only to students of sophomore standing. Three classes a week, first semester. *Three semester hours credit.*

202. Educational Psychology. Designed to give the prospective teacher a survey of the learning process, the teaching personality, and maturation as it relates to the curriculum. Special emphasis is given to motivation, learning and retention, and interest as these relate to the school setting. Prerequisite: Psychology 201. Three classes a week, second semester. *Three semester hours credit.*

V. PHYSICAL EDUCATION AND HEALTH

Mr. Harris Mr. Blackburn Mrs. Miller

PHYSICAL EDUCATION

Each student is required to register for Physical Education each semester. In unusual cases he may be excused by the Dean. While participating in a major sport, a student is not required to attend regular classes. (Students admitted to these courses are expected to wear regulation uniforms which may be purchased from the College Book Store.)

COURSES FOR MEN

101. Physical Education. Freshmen men. Consists of calisthenics, running, combative, rope jumping, rules and techniques of team sports. Two classes a week, first semester. *One semester hour credit.*

102. PHYSICAL EDUCATION. Freshmen men. Drill, basketball, volleyball, tumble, track and field work, badminton, and archery. Two classes a week, second semester. *One semester hour credit.*

103. PHYSICAL EDUCATION. Sophomore men. Same content as Physical Education 101 with emphasis on actual participation in team sports. Two classes a week, first semester. *One semester hour credit.*

104. PHYSICAL EDUCATION. Sophomore men. Adult sports for recreation: volleyball, tennis, croquet, ping pong, badminton, shuffleboard, horseshoes, and archery. Two classes a week, second semester. *One semester hour credit.*

105-106. PHYSICAL EDUCATION. Adaptive physical education for the handicapped or those unable to participate in the regular activities. Corrective exercises, adaptive games. This course is designed to fill the individual needs of students who require special attention. Two classes a week, both semesters. *Two semester hours credit.*

COURSES FOR WOMEN

101-102. PHYSICAL EDUCATION. Freshmen women. Beginners' archery, volleyball, basketball, stunts and tumbling, tennis, folk dancing, and calisthenics. Two classes a week, both semesters. *Two semester hours credit.*

103-104. PHYSICAL EDUCATION. Prerequisite: Sophomore standing. Advanced volleyball, basketball, stunts and tumbling, folk dancing, tennis, and recreational sports. Two classes a week, both semesters. *Two semester hours credit.*

105-106. PHYSICAL EDUCATION. Adaptive physical education for the handicapped or those unable to participate in the regular activities. Corrective exercises, adaptive games. This course is designed to fill individual needs of students who require special attention. Two classes a week, both semesters. *Two semester hours credit.*

HEALTH

101. HEALTH. The textbook used, *Personal and Community Hygiene Applied*. Elementary physiology and anatomy are taught in so far as they are related to the desired objectives in personal health and community hygiene. Two classes a week, one semester. *Two semester hours credit.*

VI. RELIGION

A. BIBLE

DR. POSTON MISS JONES
MR. ALLEN MR. LAMM

101-102. BIBLE. A survey of the entire Old and New Testament Scriptures with an effort to understand the story of revelation of Divine Truth and the means used in accomplishing it. Attention will be given to types of literature, translations, and methods of interpretation with the intention of furnishing the student with a broad and well-rounded storehouse of knowledge of the Scriptures as a background for future reading and for more advanced and detailed study. This course is required of all graduates. Three classes a week, both semesters. *Six semester hours credit.*

201-202. BIBLE. This course is designed especially for students who have had Bible 101-102. The first semester is an intensive study of the Life and Teachings of Christ, with special emphasis given to His Parables and Miracles. The second semester is an intensive study of the Life and Letters of Paul. The principles of Biblical interpretation are used throughout the two semesters. A student may take either one or both semesters. Prerequisite: Bible 101-102. Three classes a week, both semesters. *Six semester hours credit.*

B. RELIGIOUS EDUCATION

101. STUDIES IN RELIGIOUS EDUCATION. A careful study of the aims, methods, agencies, and curriculum activities of the school, the training program, and specialized services of the church: religious drama, visual aids, worship, stewardship, missions. Two classes a week, first semester. *Two semester hours credit.*

102. CHURCH ADMINISTRATION. A survey of the work of the church including over-all pastoral leadership and lay leadership in Sunday School, Training Union, and other activities of the local church, and the relationship of the local church to other churches: doctrines, ordinances, officers, and government. Consideration is directed to the church covenant, constitution, by-laws, committees, employed help, budget, and publicity. Two classes a week, second semester. *Two semester hours credit.*

201. THE CHURCH AND ITS ORGANIZATIONS—THE SUNDAY SCHOOL AND BROTHERHOOD. A survey of the department and class Sunday school as to

purpose, method, grading, reaching the constituency, securing and training workers, obtaining and using space, and dealing with problems.

A study of Brotherhood movement as to origin, methods, aims, and program of work in the local church. Two classes a week, first semester. *Two semester hours credit.*

202. The Church and Its Organizations—The Training Union and W. M. U. A survey of Training Union as to purpose, methods, grading, organizational set-up in unit and departmental organizations. A study of the value of a training program in the church.

A careful study of W. M. U. methods and the program of work set forth in missionary education of the members of the local church. Two classes a week, second semester. *Two semester hours credit.*

VII. SOCIAL SCIENCE

Mr. Jolley Mr. Terrell Mr. Burris

A. HISTORY

101-102. Western Civilization. An historical survey of the civilizations of the Western World. The Greco-Roman heritage is given considerable attention as a background for the study of contemporary Western culture. Great ideas are given equal place with great events in this introductory study of the forces which have shaped our modern world. Three classes a week, both semesters. *Six semester hours credit.*

201-202. American History. Prerequisite: Sophomore standing. A survey of the principal forces and movements which have formed the United States of today. Three classes a week, both semesters. *Six semester hours credit.*

B. GOVERNMENT

201. United States National Government. Prerequisite: Sophomore standing. A critical study of the underlying principles, practice and structure of the government of the United States. Three classes a week. one semester. *Three semester hours credit.*

202. Modern Foreign Governments. A study of the elementary aspects of the political institutions of England, France, West Germany, the Union of Soviet Socialist Republics and Japan. ALUMNI ASSOCIATION

Membership—All former students, graduates and non-graduates, are considered members of the Alumni Association. All are invited to become active members by making a contribution of not less than $2 annually toward the work of the association.

Meetings—A general business meeting and banquet is held once each year during the College commencement, at which time the directors and officers of the organization are elected and other matters of business attended to. The president of the association has authority to call a special meeting of the association at any time and place he may choose for the purpose of transacting any business pertaining to the work of the association.

Purpose—The purpose of the Alumni Association is to provide an opportunity for the alumni to express their interest for the College in voluntary service, to organize local chapters, to keep in constant touch with the members of the association, and to promote the welfare of the entire College to the mutual benefit of both the College and the alumni.

Meet Gardner-Webb

ACCREDITATION

The United States is divided educationally into convenient regions of accreditation. The individual college, when it meets minimum standards, is accredited by its regional association. Ordinarily accreditation by the regional association is, by courtesy, accreditation by all regional associations. That is, a person may transfer with ease from one accredited college in one part of the United States to another accredited college in any other part of the United States. In addition to regional accrediting agencies, each state has its own College Conference which follows fairly closely, sometimes more rigidly, the accrediting policies of the regional association.

Gardner-Webb College is in the region of the Southern Association of Colleges and Secondary Schools. Since 1948 it has been a member of that Association and fully accredited by it. It is also a member of, and fully accredited by, the North Carolina College Conference composed of forty-four colleges and universities in the State. Likewise it is accredited by the North Carolina Board of Education. It is authorized by the immigration authorities of the United States for the training of foreign students. By virtue of membership in the Southern Association of Colleges and Schools, it is approved by the American Medical Association for two years of Pre-Medical training.

Although the following are not accrediting agencies as such, the College is an active member of them:

American Association of Junior Colleges

The Southern Association of Baptist Colleges and Schools

The North Carolina Association of Private Junior Colleges

The North Carolina Foundation of Church-Related Colleges

The National Junior College Athletic Association

The Western Carolinas Junior College Athletic Conference

NATURE AND PURPOSE

So far as we can ascertain Gardner-Webb College is held in high esteem, and its standards of scholarship and service are respected by the colleges and universities to which some 85 per cent of its graduates transfer, and by the colleges of its class in its area, and by the people.

It is a two-year college. We believe that there is a vital and indispensable place for such an institution in our educational system. Its closely knit social life, the vital touch between teacher and pupil, the freedom, the comradeship in study, the economy of its charges, and the vital interest in individual problems which emerge in the search for and discovery of human values are among its advantages.

Gardner-Webb is a small institution. It is being built deliberately for a student body of 400 boarding students and not more than 200 day students. It is doubtful in the press of numbers that this size and quality can be preserved. It is recognized that this is a luxury in education which will be maintained only with difficulty. However, we are convinced that the small, well ordered, and highly accredited two-year college can do a quality of work which has not been attained in the larger colleges and universities. That more than 70 per cent of the enrollees in *Who's Who in America* are from small colleges attests to this. It is imperative, therefore, for Gardner-Webb to maintain high academic standards.

Gardner-Webb is a Christian college. We mean by this that the whole program is conceived as an adventure in quality values. To this end our Admissions Committee are motivated in the selection of students. Those who teach are selected and retained on the basis of their proficiency in scholarship, their unquestioned moral excellence, their love

of youth and desire to mould it into something priceless, and their sentiments of respect for and interest in the programs and purposes of the Baptist denomination. In this way it is the hope of the College that it may add to the number and quality of those who serve our people joyfully with distinction, with efficiency, and with humility. It is scarcely less important to have Christian laymen and laywomen of quality than ministers and missionaries. In brief, the first goal is to produce men and women of distinction and quality, and second, which follows naturally, men and women of efficiency, skill, and devotion in all the phases of the total life of our people, that the testimony of the College to the Christian Way may be vital. It is necessary, therefore, for Gardner-Webb to maintain moral standards in keeping with its high academic standards. The College cannot look with indifference upon drinking, gambling, dishonesty, and immorality. Neither can it approve secret marriages among the students, for the sake of the good name of the College.

More specifically Gardner-Webb is seeking to build its program around an intelligent understanding of the needs of all the people in its particular geographical area. In order to do this two things are essential:

First, the College must keep up through surveys in the communities and experimentation at the College a program of study to discover the needs of its people. It must also discover the boys and girls who should train to meet those needs and create in them the desire to train, and create for them the means by which they may be trained.

Second, the College must find and put into effect a program of adult education that will develop all the people; and it must expand and enrich its efforts at community service in health, economic development, civic and social welfare, and church-community development.

Finally, to help achieve these ends the College must gradually expand its guidance program in the entire geographical area served by the College in the churches, the Sunday Schools, and the high schools as well as in the College itself.

The College has three functions in its training program for students:

First, it attempts to give thorough training in the recognized disciplines to students who wish to go on to higher institutions of learning; second, it seeks to give the widest and richest training possible to those whose formal education will end here; and third, it attempts to give a

reasonable amount of vocational training, preferably on the background of a broad liberal education, to prepare students to enter fields of industry and home building.

LOCATION

Gardner-Webb College is located at Boiling Springs, in Cleveland County, North Carolina, near the foothills of the Blue Ridge Mountains, in the western Piedmont section of the state. It is on North Carolina Highway 150, nine miles west of Shelby.

Asheville is sixty-eight miles to the west, Charlotte fifty miles to the east, and Spartanburg, South Carolina, thirty-four miles to the south. Chimney Rock, and beautiful Lake Lure, Kings Mountain Battle Ground, and Blowing Rock are within easy reach for a day's outing. Trips to Mount Mitchell, Craggy Gardens, Grandfather Mountain, the Cherokee Indian Reservation, and the Great Smoky National Park make pleasant week-end travel experiences.

HISTORICAL SKETCH

Gardner-Webb College has a varied and interesting history. As early as 1903 the idea of establishing a school of high school grade, "where the young . . . could have the best possible educational advantages under distinctive Christian influence," was firmly fixed in the minds of the people of the Kings Mountain Baptist Association. By 1905 Boiling Springs was selected as the location of such a school and the Sandy Run Association had joined enthusiastically with the Kings Mountain group in the determination to build it. The school was chartered on December 2, 1905, as The Boiling Springs High School, Incorporated.

In 1907, construction work on the main building (Huggins-Curtis Hall) was started, and the cornerstones, one for the Kings Mountain Association, and one for the Sandy Run, were laid in June. In May of the same year Mr. J. D. Huggins was elected as the school's first principal. Thus the Boiling Springs High School continued under the leadership of J. D. Huggins, F. A. Brown, J. M. Hamrick, and W. J. Francis until 1928.

In 1928, after the campaign for funds by the Kings Mountain and Sandy Run Associations and the Baptist State Convention had been completed, the school was opened as a two-year College, with J. Blaine Davis as its first president and J. D. Huggins as the dean.

Very little change was made in the plant until 1939 when the buildings and grounds were partially renovated and beautified. The gymnasium was veneered with native stone, and by 1940 the E. B. Hamrick building, which had been burned, was under construction. This building had been erected after the First World War as a memorial to the boys from this section of the state who had given their lives in the cause of freedom.

In 1942 the people were led in an effort to raise $150,000.00, which effort resulted in the extension of the campus from five to thirty-five acres, the refinishing and refurnishing of the E. B. Hamrick building, the erection of the Washburn building, and the complete renovation and refurnishing of the dormitories.

In 1942 the trustees changed the name of the institution to Gardner-Webb College in honor of two prominent North Carolina families.

In 1946 the College was admitted to the Baptist family of colleges of North Carolina on the condition that by November, 1948, the friends of the institution raise, in addition to $750,000.00 for a plant, $250,000.00 for endowment. These conditions were satisfactorily and completely met.

Also, in 1948 the College achieved the goal of attaining the highest accreditation within its reach—full and unqualified membership in the Southern Association of Colleges and Secondary Schools.

BUILDINGS AND GROUNDS

Approximately 1,100 acres of land and twenty-four buildings comprise the physical equipment of the College. The campus proper, an eighty-five-acre tract of rolling land dotted with a variety of lovely trees, furnishes the location for the various buildings. All buildings are heated from a central heating plant.

RESIDENTIAL BUILDINGS

The James Webb Gardner Memorial Dormitory: This three-story structure completed in the fall of 1948 at a cost of $230,000 is fireproof and furnishes attractive accommodations for 134 men. In the attic is sufficient space to entertain visiting teams as well as space for a play room.

The Hoey-Anthony-Padgett-Young Dormitory: The central section of this dormitory was constructed in 1946. The east and west wings were added in 1948 to form an open quadrangle. The buildings were

named by the trustees as follows: The Suttle dormitory is the east wing of the quadrangle, the McMurry is the west wing, the Hoey-Anthony is the first floor of the central building and the Padgett-Young is the second floor. The dormitory was used as a residence for girls until Huggins-Curtis Hall was lost to fire in 1957. Since that time it has been used as a men's dormitory, with exception of the McMurry wing which is occupied by girls.

The Stroup Dormitory: First used during the year 1956-57, the Stroup Dormitory provides living space for one hundred girls. It is a three-story, fireproof, brick structure, with adequate parlors, reading rooms, recreation areas, kitchenette, and laundry room.

Apartments: The College owns five duplex apartments which may be used as needed by faculty or students.

An apartment building containing six apartments has been completely remodeled and is now occupied by married students. The College also owns three residences occupied by faculty and student families.

ACADEMIC BUILDINGS

The E. B. Hamrick Building: Dedicated in 1943, contains seven classrooms, biology and chemistry laboratories, administrative offices, auditorium, a broadcasting booth, and a two-manual Pilcher pipe organ.

The Washburn Memorial Building: A brick structure erected in 1941 by Mr. Seaton A. Washburn in memory of the Washburn families.

The John R. Dover Memorial Library: Completed during the year 1951, is one of the loveliest buildings on the campus. The library has on the first floor a large reading and reference area, stacks, librarian's office, receiving and processing room, and two special rooms for Cleveland County Archives and North Carolina History. The basement floor has six large classrooms and a special department for audio-visual aids and music appreciation. This building, completely furnished and equipped, is undoubtedly one of the finest libraries in the state.

The library contains over 15,000 volumes chosen to meet the needs and interests of the students, with special reference to the topics offered. Newspapers and a selected group of general and special magazines indexed in "The Reader's Guide to Periodical Literature" supplement the resources of the book collection. About 500 volumes are added an-

nually through purchase and gift. The gifts of books have been especially well chosen, and have been worthwhile additions to the library. Valuable, too, have been the gifts of money, whereby needed books might be purchased.

The O. Max Gardner Memorial Student Center: Completed in the autumn of 1948, the building was constructed and furnished by the family of the late Ambassador O. Max Gardner and is a worthy memorial to a great man. On the first floor the building contains kitchen, dining hall, refrigeration, storage, and offices. On the second floor are a lovely student lounge with approximately 3,000 feet of floor space, offices for public relations, student organizations, guidance clinic, and two society halls.

The Physical Education Building: As yet unnamed, is located between Decker Hall and the athletic field. It is modern in every respect for the development of strong healthy bodies. It contains one classroom, a band room, first aid room, lockers, rest rooms, showers, team rooms, and swimming pool. The band room is in the form of a stage, which gives opportunity to accommodate increasing numbers at banquets, commencement, and other programs. A commodious kitchen multiplies the usefulness of the building. As Gardner-Webb is a Community College in the highest sense, this building gives excellent opportunity for our community recreation program and for encampments and various other group programs of the denomination.

EXPANSION PROGRAM

On October 1, 1943, Gardner-Webb College started seriously on its program of expansion to care for four hundred boarding students. (The school has no plan to go beyond that number.) During the years of its expansion program more than two million dollars has been raised for land, buildings, equipment, grading and landscaping, and a third million for endowment. During that period twenty-one buildings have been erected. Thirteen are housing units and eight are administrative and academic.

Now, the most pressing immediate needs of the College and considered a must are as follows:

1. Indebtedness	$ 140,000
2. Science building	250,000
3. Administration building	75,000
4. Covering for swimming pool	30,000
5. Finishing the athletic field	45,000
	$ 540,000

Additional needs envisioned for the foreseeable future are:

1. Classroom building	$ 200,000
2. New dormitory for men	350,000
3. Library air conditioning	20,000
4. Additional property	35,000
5. Scholarship endowment	30,000
6. Endowment for special services	30,000
7. General endowment	500,000
Total future capital needs	$1,165,000
Grand total capital needs	1,705,000

The accomplishment of this long range program will enable Gardner-Webb College to continue as an outstanding two-year institution or become a four-year institution as the trustees and the convention may determine. However, these figures are estimations. They will progressively increase.

Campus Life

SERVICES

The College furnishes all rooms in the dormitories with single beds, dressers, chairs, and desks. Students are permitted the use of a radio, but no other electrical appliances. Each student is expected to provide his own pillows, blankets, and linens. Any student who wishes to provide them is allowed to have curtains, floor or desk lamp, and other personal articles. Irons may be used only at designated places. Television sets are provided in the parlors of each of the dormitories.

LAUNDRY AND DRY CLEANING

Two modern dry cleaning plants are near the campus and serve the needs of the students. Trucks from near-by laundries make regular trips to the College. Special laundry rooms are provided in the dormitories.

THE COLLEGE STORE

The College operates a snack bar, post office, and bookstore for the convenience of the students.

Here the students may get their textbooks and other classroom supplies which must be paid for at the time of purchase. There is a charge of 50 cents per student for post office boxes each semester.

MESSAGES AND MAIL

Gardner-Webb has an up-to-date telephone service with a private exchange. Telegraph messages intended for persons at the College, if sent to Shelby, will be telephoned to Gardner-Webb.

Mail arrives over star route four times daily. The College maintains mail delivery service on the campus.

HEALTH

A sound body is such a valuable asset and so requisite to effective study that the College does everything in its power to insure the best possible development of each student and to maintain his general health.

Meals are served in the cafeteria by the Slater Company, nationally known caterers of Philadelphia. These services have received complete approval by the students.

The College will provide for each student seven days of free hospitalization per semester (14 days per year) with free medical services, ordinary drugs and dressings. The College will not be responsible for treatment of a pre-existent condition, nor for surgical operations, or extraordinary drugs, and illness of so serious nature as to require hospitalization in a hospital outside Boiling Springs. All services must be rendered by the College physicians.

ACTIVITIES

GUIDANCE PROGRAM

The ideal of college life is that of a well-ordered Christian home, where each individual may have as much freedom as is consistent with the well-being of the group. The small college is well suited to achieve this ideal, and to this end students are granted many privileges here which could not be allowed at a larger school. Since it is our belief that growth in character comes only through the development of self-direction and self-control, rules and regulations are reduced to a minimum and are made or amended as may seem necessary for the good of the individual and the group. The responsibility for making and enforcing these rules and regulations rests jointly on faculty and students. For several years the College has had a system of student-faculty government, and all problems

of conduct are passed upon by the student judicial board. Serious cases are reviewed by the executive committee of the faculty.

One of the basic principles upon which Gardner-Webb operates is that discipline in its highest form is accomplished by a constructive guidance program. In keeping with this philosophy, the College maintains a Department of Guidance for the purpose of assisting the student to make the best possible adjustment to his college life, and to prepare himself in the best possible way for the responsibility of Christian leadership. The Department of Guidance seeks to provide individual counsel for every student enrolled in the College. This is effectively handled by placing each student in close contact with at least one member of the faculty. Every student is assigned to a counselor at the beginning of the year. The assignments are made on the basis of academic and vocational interest, and personal compatibility. Each counselor meets with his counselees in a general group meeting at least once each grading period and as many times in personal interviews as is necessary for the good of the student. In this role the counselor is more than a teacher. He is also the student's confidant and friend with whom the student may share his problems in every realm of life in a confidential way so that a solution of these problems may be reached for the highest possible good of the student.

The Department of Guidance maintains an office with student personnel files for the benefit of both counselors and students. The Director of Guidance works in close cooperation with the College Government, Faculty, and College Administration in handling student problems as they may arise. Students are encouraged to take advantage of all facilities made possible by the Department of Guidance for their college training and vocational choices.

The Department of Guidance has an expanding testing program with a library of tests including aptitude, achievement, vocational emphasis, and personality inventories. At the beginning of school each year the Department of Guidance is responsible for the testing program for all incoming students during orientation week. With the help of the faculty, at that time the department administers the standardized series of college entrance tests recommended by the National Freshman Testing Program. Through this program the faculty and administration have an accurate appraisal of the student's previous academic achievement. This material

may be of great assistance in teaching and guidance. Each student is given the results of his scores confidentially and provided with a profile sheet showing his percentile rating with the other members of his class at Gardner-Webb and also his position on the national level.

The cooperation of parents is earnestly requested in carrying out all the regulations of the school, especially in regard to week-end trips home and other absences from the campus. The school year has been arranged with a view to the convenience of its agricultural patrons; and in order to accomplish the required amount of work within the given time, it is necessary that students devote their whole time to it. It is vitally important to the education of the students that they take an active part in the morning and evening worship services in the local church. The church work at the College is planned as a part of the students' education as really as their class work or any other college activity. For them to miss that is to miss a central factor in their college life. For these reasons parents are urged not to request that students be away from the campus except for the one week-end a month that is provided for them.

Parents are invited to visit the College and to talk to or write freely about their children. The College officials are always glad to know the parents' point of view and to do anything in their power to correct any wrong, real or imaginary. They reserve the right of dealing with each problem on its own merit.

ORIENTATION

The orientation period is a varied phase of the College guidance program. During the first week of school students will follow a carefully planned program of orientation and registration. First year students should come to the campus on the day suggested by the College authorities. During orientation week each student is expected to meet the various requirements set forth by the Department of Guidance and take placement or other tests deemed advisable by the other departments of the College.

No student has completed his registration until he has met the requirements outlined in the orientation and testing schedule.

RELIGIOUS ACTIVITIES

Conduct at Gardner-Webb is based upon the practical expression of the Christ-life. The positive aspect of the Christian experience is stressed above the negative "thou shalt not." It is assumed that each student will find his place in the religious life of the campus and community without coercion except the inner urge of his own soul. A spiritual atmosphere is created by the friendly association of students and faculty. The student religious organizations are similar to those in an average church and community. It is the opinion of the administration that the religious opportunities are as valuable a part of the curriculum of the College as English or biology. This fact makes it very important that the student limit his week-end trips to a minimum in order that he may benefit from this training.

The Local Baptist Church. Each Baptist student is urged to bring his church letter with him when he comes to College. Students of other denominations are invited to become identified with the fellowship and training of the local Baptist church. This tie with the local church gives the student a sense of security and opens many avenues for social and spiritual fellowship which he would otherwise miss while he is away from home. There is an unusually fine spirit of cooperation between the community and the College. The religious organizations of the College magnify the church and are, in reality, a part of its whole program.

The Methodist Church. A Methodist church was organized in Boiling Springs in 1957. A building site has been purchased and erection of a church building is expected soon. Meanwhile the congregation meets in the Gardner Building on the College campus. Methodist students are invited to become members and attend services of this church.

Sunday School. The local Baptist church provides a well-organized Sunday School into which the college students fit as members of the community. Of necessity, but without design, many of the classes are composed of college students only. Membership in a class is urged upon all students, but they are not required to join the Sunday School or any other religious organization or group on the campus.

Training Union. The Training Union, which has for its aim "training in church membership," attempts to enlist all students. Every student is urged to attend and will not in any way be pressed to change his views

about his own doctrines. A well-organized Training Union in the local church affords ample opportunity for observation and training for the members of the individual Unions.

The Young Woman's Auxiliary of W.M.U. The Young Woman's Auxiliary, commonly referred to as the Y. W. A. and a part of the Woman's Missionary Union, enlists the young women of the College in mission study and actual service in local missions. The members are led to see the meaning of missions and to have a compassion for a world without Christ. All the girls who reside in the dormitory are invited to join the Y. W. A. by joining a circle, usually composed of those who live on the same hall.

The Christian Volunteer Band. The Christian Volunteer Band is composed of men and women who are volunteers for full-time Christian service. They are wide-awake, eager Christians, interested in becoming better workmen for God in their chosen field. This organization has bi-weekly meetings at which various topics of interest to pastors and religious workers are discussed. From time to time opportunity for Christian service is given in neighboring communities. The annual fish fry which this group enjoys is a special feature of the spring festivities.

The Baptist Student Union. The student who aligns himself with the local church or with any of its organizations automatically becomes a member of the Baptist Student Union. The activities of these organizations are directed by the Executive Council of the Baptist Student Union (known as the B.S.U.). The Council is composed of the general officers of the B.S.U. and the presidents of the unit organizations, such as Sunday School, Training Unions, Y.W.A. groups, Volunteer Band, and Ministerial group. The Greater Council is composed of the Executive Council plus the roster of officers of the unit organizations. The local pastor and a faculty advisor serve as Counselors for the B.S.U. The B.S.U. Executive Council meets each Monday evening to plan the various activities for which it is responsible. The fellowship within this group is of the highest order and should set a standard of Christian character for the campus.

Many activities are sponsored by the Baptist Student Union. Council members select prayer mates and the other members of the Union are urged to do so. Morning watch is conducted each morning. The B.S.U. provides music for chapel, devotions, and group meetings. These spiritual

leaders on the campus operate as a unifying force among the religious organizations of the campus. If Gardner-Webb is friendly, and has the name of being spiritual, it is partly because these earnest-hearted young people are giving their best in the service of Christ in the activities of each day.

VESPERS. Vespers, sponsored by the B.S.U., are held at 7:00 p. m. in the auditorium of the E. B. Hamrick Building. All are welcome and urged to avail themselves of this opportunity for worship and meditation at the close of the day. This short period of worship is a spiritual powerhouse of the religious life of the campus.

CHAPEL. The faculty and students meet three times a week for chapel and assembly programs. These programs are of a varied nature and bring to the campus personalities who are outstanding in the fields of religion, education, business, and society. From time to time student groups provide interesting attractions. In all these meetings the spirit of worship is promoted. Attendance at chapel is compulsory and any student who has more than three unexcused chapel absences during any semester will lose credit for his semester's work.

SOCIAL ACTIVITIES

Considerable effort is made to provide an adequate and wholesome social program for the students. In addition to individual social opportunities between men and women a number of group activities are provided. The various clubs and classes plan their own outings, picnics, and entertainments. The church provides wholesome get-togethers for the students and community people. The College as such plans at least three formal banquets a year: Thanksgiving, Christmas, and the Alumni Banquet. It also gives an entire day devoted to athletic and other contests, honoring the students, and closes the day with the annual Freshman-Sophomore Banquet. Other events like faculty receptions, High School Day, and May Day round out the social calendar.

This year considerable study is being made looking toward providing attractive week-end enjoyment and social entertainment.

ENTERTAINMENT AND SERVICE

LYCEUM SERIES

Each year a number of outstanding artists, speakers, and entertainers present programs for the students, faculty, and their friends. Drama, music, and lectures constitute most of the programs. In addition to these, a series of excellent programs are provided by the faculty and artists from nearby towns and colleges.

DEPUTATION TEAMS

An excellent training, especially for those who plan to do church work, is service with the deputation teams. A faculty member organizes a number of teams consisting of three or four students. After careful training they go to churches for week-end services, sometimes for evangelistic purposes, and sometimes to demonstrate the work of various organizations and their function in the well-ordered church. Often these programs are used as laboratory work for speech classes.

INTELLECTUAL ACTIVITIES

PUBLICATIONS

The QUARTERLY is published in November, February, and May for alumni and friends of the college. The August issue serves as the College catalogue. This issue serves as the students' legal contract with the College. Prospective students may read it to discover their opportunities in the College, former students to see what the College is doing, and the general public to evaluate the educational program of the College.

The ANCHOR is the College yearbook, edited by the students under the supervision of a faculty advisor.

The PORTHOLE is the student handbook, and guides the new student in making his adjustment to college life.

The PILOT is the College newspaper, published monthly by the students under faculty supervision.

DEBATE

Debate teams are organized and trained. These teams take part in intercollegiate contests covering a wide area. They compete with teams from Senior Colleges as well as Junior Colleges. At least five tournament contests are planned for the year 1960-1961.

COLLEGE GOVERNMENT ASSOCIATION

By enrolling in Gardner-Webb College, one automatically becomes a member of the College Government Association. The purpose of this organization is defined in its constitution: "to afford students an opportunity to learn and observe the rules of community living, to promote responsibility, self-control, and loyalty, to keep all social life on the campus on a high plane and to have it always in harmony with Christian living."

The students' handbook, "The Porthole," containing the regulations of the Association, is distributed annually. During Orientation Week members of the Student Legislature assist the new students in understanding the regulations as set forth in the handbook.

Any serious disciplinary measure involving probation, suspension, or expulsion is first tried by the Judicial Board of the College Government Association after which it is reviewed by the Executive Committee of the faculty which has the power to approve or veto the student decision or to impose any other penalty.

CLUBS

The Marshal Club is the honor society at Gardner-Webb. Membership in this organization is one of the highest honors attainable by students. Members are chosen on the basis of high scholastic standing, character, leadership, and service on the campus, and are inducted at an impressive "tapping" ceremony in chapel. They serve as ushers at public functions and marshals at graduation.

The Monogram Club is the athletic club for men. To qualify for membership a student must pass at least 9 hours of work with a "C" average and earn a letter in football, basketball, or baseball. The purpose of the organization is to foster good fellowship and good sportsmanship among members and to promote better relations with other schools in the Western Carolinas Junior College Conference.

The Music Club is composed of students who are taking any phase of applied music, and who are interested in furthering musical interests on the Gardner-Webb campus. Members are expected to participate in program presentations and to show active interest in all musical activities.

The Science Club represents the natural sciences and mathematics. Its aim is to stimulate an intelligent interest in science. Students who intend to major or minor in the natural sciences and who have outstanding scholastic records are eligible for membership. Programs of scientific interest are held at regular monthly meetings.

Regional Clubs may be organized by students provided there are as many as ten members from a section and they secure a faculty sponsor and the approval of the administration.

No secret societies are allowed among the students, and no organization is permitted unless approved by the faculty.

The Future Teachers Club. To be a member of the Future Teachers Club one must be in training for the teaching profession. The group meets periodically for fellowship and for discussions of problems related to the teaching profession.

The International Relations Club is composed chiefly of those students majoring or minoring in the Social Sciences. It devotes itself to a study of national and international affairs, and its main object is the promotion of peace.

The Sigma Pi Alpha Honorary Language Fraternity of Gardner-Webb College is composed of students taking foreign languages. To become a member one must have an unusual interest in languages and a high scholastic average.

The purpose of the fraternity is to stimulate interest; to acquire a more intimate knowledge of the people, life, customs, geography, history, industries, and cultures of foreign countries; and to make a contribution toward bringing about a better understanding between these countries and ours.

ATHLETICS

The Athletic Department of the College offers a well-rounded program for student health and recreation. This includes not only classes in Physical Education and Health, but also intramural sports, such as touch football, volleyball, basketball, tennis, track, and softball. These games afford the student recreation, and develop permanent interest in sports.

The College sponsors inter-collegiate Football, Basketball, Baseball, Tennis, Golf, and Track. Gardner-Webb is a member of the National Junior College Athletic Association and the Western Carolinas Junior College Conference.

Finances

FINANCES

The average cost per student at Gardner-Webb Junior College is approximately $350.00 per student over and above the amount each student is required to pay. This amount is contributed by the North Carolina Baptist Convention, churches, individuals, corporations, foundations, and from endowment funds of the College.

The part the student pays is as follows:

DAY STUDENTS

	Semester	Session
Tuition	$125.00	$250.00
General Fees	30.00	60.00
	$155.00	$310.00

BOARDING STUDENTS

Tuition	$125.00	$250.00
General Fees	30.00	60.00
Room	60.00	120.00
Board	175.00	350.00
	$390.00	$780.00

The above charges may be paid by the first day of each semester, year, or as follows:

We are glad to offer the convenient TUITION PLAN for those parents who prefer to pay in equal monthly installments. The following plans are available at the cost indicated:

One year plan (8 payments)—4% more than cash price

Two year plan (20 payments)—5% more than cash price

The two year plan includes Parent Life Insurance for qualified parents. This insurance coverage provides funds for the cost of the remaining period of schooling covered by the contract, if the parent who has signed the contract dies. A descriptive pamphlet will be sent upon request.

The Tuition Plan is optional and offered solely as a convenience.

The College prefers to deal directly with the student on all matters of business. This gives the student training in attending to his or her affairs. Parents are requested to ask for any report desired.

General fees of $30.00 per semester entitles each student to all home athletic contests, all student publications, lectures and entertainments sponsored by the College, all laboratory fees, typing fees, graduating fees, and medical services. Please refer to the student hand-book for the list of medical services to which each student is entitled. *Music fees are not included.*

Veterans approved for training under the G.I. Bill must pay their tuition, fees, room and board as regular students. The TUITION PLAN is available for them also.

Books and supplies are available at the bookstore and average from $35.00 to $50.00 per session. All books and supplies must be paid for in cash at time of purchase.

A $10.00 deposit is required of all men boarding students which will be used to repair any damage to buildings or grounds due to abuse or mis-use. Damage to rooms will be charged to occupants who are held responsible. This deposit, or any part not used, will be refunded not later than ten (10) days after the close of the session.

Payments are due in advance at the beginning of each pay period. No student will be permitted to take final examinations or permitted to remain in school if his account is in arrears unless satisfactory arrangements can be made with the Business Manager.

An admission deposit of $5.00 must accompany each application. If a student desires a dormitory reservation an additional $5.00, or a total of

$10.00, must accompany each application. This deposit is not refundable, unless the applicant is rejected by the Admissions Committee.

All student rooms are subject to inspection at all times. Students are required to keep their rooms in a neat, clean and orderly manner. Any student who is not willing to cooperate will be required to vacate his room.

Students who do not remain for the full semester are charged 10% additional for time they remain. However, no refund will be made in case of suspension or expulsion.

Special students who take less than 12 hours will be charged $15.00 per semester hour. For further information contact the Dean of Instruction.

Transcript Fee: One copy of a student's record at Gardner-Webb College is furnished free of charge provided all accounts have been settled. A fee of $1.00 is made for each additional copy.

LOAN FUNDS

David Pressley Memorial Loan Fund: In 1956 the students, faculty members, and friends established a loan fund in memory of David Pressley, a member of the student body who lost his life in an automobile accident. This fund amounts to $698.00 and is available to worthy students recommended by the faculty committee.

Hattie Nix Gilliatt Memorial Loan Fund: This fund was established in 1957 as a memorial to Hattie Nix Gilliatt of Shelby. It currently amounts to $541.50 and is available to worthy students.

W.M.U. Fund for Women: The Woman's Missionary Union of Kings Mountain Baptist Association has provided a loan fund to be used in $50.00 allotments by worthy young women.

Beaver Dam Baptist Church Fund: The Beaver Dam Baptist Church of the Kings Mountain Association has provided a loan fund to be used in $100.00 allotments by worthy young men and women, with the understanding that the young people of Beaver Dam Church have first consideration in awarding these funds.

Funds for Needy Students: Some friends of the College have made possible a loan fund available to persons who are in special need of aid in securing an education.

This fund is available without interest for a period of five years.

Joseph Henry Jones Memorial Loan Fund: In memory of Joseph Henry Jones who gave his life in the Battle of the Bulge on December

16, 1944, his mother, Mrs. J. H. Jones, and other friends created a loan fund of $581.50 for worthy students.

Rush Stroup Loan Fund: In 1947 Mrs. Rush Stroup created in memory of her husband a loan fund of $5,000.00. This fund is available in a special trust fund in the Wachovia Bank and Trust Company of Charlotte and will be used for deserving young people, preferably Cleveland County students and preferably ministerial students.

The Marion Hinson Loan Fund: In 1950 Mr. and Mrs. Claude S. Hinson of Belmont gave $2,500.00 to establish a student loan fund as a memorial to their son, Marion Hinson.

J. Herbert Bridges Loan Fund: In 1949 J. Herbert Bridges of Charlotte gave an initial $1,000.00 toward the establishment of a loan fund for worthy and needy students. This fund is now available.

Tom Withrow Foundation Loan Fund: In 1953 A. T. Withrow of Charlotte established the "Tom Withrow Foundation Fund" for the purpose of aiding needy and worthy students from Rutherford County.

John Maclaren Lawrence Memorial Loan Fund: In 1954 Mr. and Mrs. Tom Lawrence of Cliffside established a student loan fund as a memorial to their son, John Maclaren Lawrence. First preference is granted to students from Rutherford County. Available amounts not used by Rutherford County students may be applied for by other students recommended by the faculty committee. This amounts to $3,799.98 to date.

SCHOLARSHIPS

Freshman Scholarships: A limited number of competitive scholarships are available to entering Freshmen.

The College offers to the Freshman making the highest scholastic average at Gardner-Webb a $54.00 scholarship for the sophomore year.

George and Ida Wood Blanton Scholarship: In 1955 George Blanton and Ida Wood Blanton of Shelby, North Carolina, created a $10,000.00 Trust Fund to be known as the George and Ida Wood Blanton Scholarship Trust for the purpose of encouraging and promoting the education of capable and deserving boys and girls through the facilities of Gardner-Webb College. The income from this fund is to be used by qualified students studying at Gardner-Webb College.

The Clarence N. Peeler Andrews Memorial Scholarship Fund: Mrs. Hattie Peeler Self of Cherryville and her daughter and son-in-law, Dr. and Mrs. W. B. Andrews, have established a trust fund of $10,000.00 in memory of Clarence N. Peeler Andrews, grandson and son of the donors. The income from this fund is to be used to aid worthy young men and women attending Gardner-Webb College.

M. G. Martin Memorial Scholarship: In 1927 Mrs. Ellen E. Martin of Mooresboro, North Carolina, gave the school $2,500.00 for the purpose of creating and establishing the M. G. Martin Memorial Scholarship. The interest coming from this scholarship fund is to be used for the education of ministerial students, preferably those related to M. G. or Ellen E. Martin. The amount now available from this fund is $75.00 per year.

Valedictorian, Salutatorian, Best Citizen: The College offers a $56.00 scholarship to every high school valedictorian and a $28.00 scholarship to every salutatorian. In the event that the high school recognizes the best citizen from the graduating class, the student is also offered a $56.00 scholarship. The College will award these scholarships upon the statement of the high school principal that the student is eligible. However, no student will be eligible for more than one of the three.

All scholarships are applied on second semester fees.

STUDENT HELP

Student Aid: A ministerial student approved by his church and association, or a missionary student who presents a recommendation for the mission field from his or her home church, will be allowed a ministerial scholarship of $50.00 per year, provided the conditions outlined by the Board of Trustees are accepted by the student. These conditions include grades averaging "C" or above on all work. A minister's wife is also entitled to the same, while sons and daughters of ministers actively engaged in preaching will be allowed half of this amount, $25.00.

Sons and daughters of employees of the College are entitled to $50.00 scholarships per year.

Student Work Contracts: Various kinds of work are provided on the campus for students who need to help defray their college expenses through work. These include work in the library, cafeteria, and the bookstore, etc. In accepting work in any of these departments, it is expected that the student maintain a satisfactory scholastic record and prove himself capable of the responsibility required for his work. Work must be approved by a faculty supervisor before the student is paid. Students work by the hour and payments are made by credit to the individual student's account.

To make application or obtain additional information about the student work program, write the Business Manager of the College.

General Academic Information

REQUIREMENTS FOR ADMISSION

In order to be admitted to the College, a student must first make application. A blank for this purpose will be furnished upon request to the Registrar. All applicants for admission should be in good health and present a doctor's certificate to that effect.

A transcript blank will be furnished to each student whose application is received. This blank is to be filled in by the high school Principal or Superintendent and sent to the Registrar. This record must be approved by the Dean before a student can be accepted as a regular college student.

The following distribution of units will meet almost any situation:

English	4 units
Language	2 units
Social Science	2 units
Algebra	1½ units
Plane Geometry	1 unit
Natural Science	1 unit
Electives	4 units

Gardner-Webb College does not prescribe a fixed subject pattern for admission but evaluates the student's record in light of his chosen course of study. The quality of work and the distribution of units must indicate sufficient preparation for the chosen course of study. If he is found deficient in any subject, or if he does not meet the entrance requirements of the school to which he plans to transfer, he may remove the deficiency in the following way:

1. Foreign Language. An applicant who takes a course which includes foreign language should offer two units in that language for admission. If he offers less than two units, he may begin language in College.

2. Mathematics. An applicant who elects Mathematics 101 should offer one and one-half units in algebra and he must offer one unit in plane geometry or take it without college credit. Plane geometry may be taken along with Mathematics 101 but must be completed before a student is admitted to Mathematics 102.

METHODS OF ADMISSION

1. Regular
   a. Those who have been graduated from an accredited high school with a minimum of fifteen units.
   b. Adults who have the equivalent of graduation on the basis of G.E.D. Test, or a State High School equivalency certificate.
2. Special
   a. A limited number of applicants for certain courses in music.
   b. A few select students of mature years are admitted to classes by special permission of the Dean regardless of previous training. These students do not receive college credit.

The College reserves the right to reject any application without giving a reason.

ADMISSION TO ADVANCED STANDING

A student may be admitted from another college provided he presents an official transcript of his work which shows in addition to the college record a detailed distribution of units offered for college entrance and the name of the high school from which these entrance units were received.

In general any work on which a student has earned a passing grade will be accepted provided it fits into the curriculum pursued at Gardner-Webb.

Regardless of the amount or quality of work done at the other institution, the student must average "C" on all work at Gardner-Webb in order to be eligible for graduation. The overall average, however, on all work done at whatever institutions must be "C".

REGISTRATION

Certain days at the beginning of each semester or summer term are set aside for registration. Students who register after the designated time will be charged a fee of $1.00 for late registration. No student will be permitted to register after two weeks from the beginning of classes in any semester.

During the registration period a student observes the following procedure: (1) secures from the Registrar's office permission to register and receive necessary information and blanks; (2) arranges his schedule of classes with the help of a faculty advisor; (3) has his course of study and schedule of classes approved by the Registrar; (4) makes payment of fees to the Business Manager.

A student will not receive credit for any course for which he has not registered.

By approval of the Dean, a course may be added within two weeks or dropped within six weeks from the beginning of the semester.

A fee of $1.00 will be charged for any change in schedule after the close of the registration period.

Unless granted special permission, no student passing less than ten hours during a semester will be permitted to register for the following term.

CLASSIFICATION

Students are classified at the beginning of each semester or summer term.

Those who register for as many as twelve semester hours which will count toward graduation, are freshmen.

Those who register for at least twelve hours, and have already earned thirty semester hours credit, are sophomores.

Those who are not included in either of the above groups are special students.

EDUCATION PROGRAM FOR VETERANS

Gardner-Webb College is approved by the Veterans Administration to offer a course of education to eligible veterans under Public Laws 16, 346, 550, and 894. Veterans planning to attend Gardner-Webb should confer with a representative of the Veterans Administration before the opening date of school, so that proper application and approval may be completed without undue delay. Veterans without any disability should have Certificates of Eligibility and Entitlement when they arrive at Gardner-Webb, for presentation to the Business Manager.

CLASS ATTENDANCE

Class attendance is required. Each semester, a student is allowed as many absences for which he does not have to account as the particular course carries semester credit hours. All other absences must be excused or the student will lose credit for the course or courses during the semester in which excessive absences occur. In no event may total absences from any class for any cause exceed 25% of the number of class meetings of that course during the semester.

Absences shall be excused for authorized representation of the College. All other absences must be validated by the Dean of Instruction within seventy-two hours after the student returns to school. Responsibility for getting absences excused rests entirely upon the student.

TARDIES

Three unexcused tardies will count as one unexcused absence. Tardy excuses may be submitted to the teacher of the course in which the tardy occurs.

CHAPEL ATTENDANCE

Chapel attendance is required. A student is allowed three chapel absences each semester for which he does not have to account. All other absences must be excused or the student will lose credit for all his work during the particular semester in which the excessive absences occur.

GRADING SYSTEM

Southern Association Standards

A—Excellent (95-100) 3 quality points for each semester hour.

B—Above average (88-94) 2 quality points for each semester hour.

C—Average (78-87) 1 quality point for each semester hour.

D—Below average (70-77) no quality points.

F—Failure (below 70) no quality points.

I—Incomplete. An "I" indicates that the student has not turned in assigned written work, or that he has not yet taken a test or examination, although he has a valid excuse. An "I" automatically becomes an "F" unless removed during the following semester.

Any subject dropped after six weeks is recorded as an "F". Any subject dropped without the permission of the Dean is also recorded as an "F".

Repeating courses—A course may be repeated in order to raise the grade only if the previous grade made was a "D". In such a case, the last grade made is the one that counts.

EXAMINATIONS AND REPORTS

Written examinations are required in every course at the end of each semester. Students who do not take these examinations at the

scheduled time will receive a failing grade in that subject unless excused by the Dean. If the student is excused, his grade will be recorded as "Incomplete."

If a student is absent from a test which has been previously scheduled, he is given a grade of zero on that test and is not allowed a second test unless recommended by the teacher and given an excused absence by the Dean. In this case the student pays to the Business Manager a special fee of $1.00 for a test, or $3.00 for a final examination.

Reports of the student's progress are made at the end of each nine weeks, indicating the grade of scholarship and attendance at class and chapel. Summaries of these reports are given to the students at the end of each grading period. Parents are mailed semester grades only unless the student's progress for any given period is not satisfactory. Only the final semester grade is recorded on the student's permanent record.

STUDENT REPRESENTATION

Only students who passed 10 semester hours with an average grade of "C" on these 10 hours during his previous semester and currently carrying the normal student load may represent the College in public functions. The faculty or its executive committee may at any time declare a student ineligible to represent the College not only because of poor work but also because of improper conduct.

Students who are readmitted to the College on probation, either academic or disciplinary, are not eligible to represent the College until the probation has been removed.

STUDENT LOAD

The normal load for a regular student is 17 hours; however, with permission of the curriculum committee a student may take 19 hours as the maximum. Unless he secures special permission of the Dean, every regular student is required to register for at least fifteen hours. No regular student may drop below twelve hours during a semester.

POINT SYSTEM

In order to protect students from too heavy a load and to afford more individuals an opportunity for experience and leadership in organized groups, a point system has been inaugurated to cover all the extra-curricular activities, including membership and office-holding in athletic, literary, and religious organizations. A full explanation of the point system is given in the student handbook, THE PORTHOLE.

WITHDRAWAL

If a student withdraws from school, he should notify the Business Manager and the Registrar; otherwise he is not entitled to an honorable dismissal.

Students who have been requested to withdraw are not permitted to register again during the current year.

AWARDS

In memory of the late Professor J. D. Huggins, Mr. L. R. Harrill, State Director of 4-H Clubs, offers a citizenship medal to the senior boy making the best record in scholarship and general interest in college activities.

In memory of the late Miss Etta L. Curtis, Mr. R. E. Price offers a citizenship medal to the senior girl making the best record in scholarship and general interest in college activities.

The Rev. John W. Suttle and Mrs. Suttle offer a medal to the student making the best record in Bible courses and having the best grasp of Bible teachings.

The winners of these three awards are selected by the faculty.

NUMBERING SYSTEM

Freshman courses are designated by numbers 100-199; sophomore courses 200-299. First semester courses are designated by odd numbers; second semester, even numbers.

SUMMER SCHOOL

Gardner-Webb offers a summer school for the advantage of (1) those who wish to shorten the time required for their education, (2) those who wish to enrich their education by taking more than the minimum requirements, and (3) those who wish to take courses that they need to meet graduation requirements.

Complete information both as to courses offered and expenses may be obtained by writing to the Director of Summer School, Gardner-Webb College, Boiling Springs, North Carolina.

EVENING SCHOOL

There will be a limited number of courses offered for credit in the evening. All courses will be offered subject to a minimum enrollment of ten students to each class.

Contact the Registrar for further information.

REQUIREMENTS FOR GRADUATION

General Requirements

A diploma will be awarded to any student who (1) completes one of the following outlined courses, (2) earns as many quality points as semester hours earned, (3) exemplifies good moral character, (4) speaks and writes good English, (5) completes the sophomore year's study at Gardner-Webb.

A. ENGLISH COMPOSITION

101-102. Grammar and Composition. This course provides for a thorough review of grammar and the mechanics of composition. There is frequent and extensive practice in theme writing, both formal and informal. The details of grammar are thoroughly covered by means of practice sheets and work books. Guidance is given in the selection of literary works which serve as models for the student's own compositions. Required of all freshmen. Three classes a week, both semesters. *Six semester hours credit.*

205. Journalism. A course in the fundamentals of news and feature writing, including some editorial and advertising basic treatments as well as radio script writing.

Prerequisite: English 101-102. Three classes a week first semester. *Three semester hours credit.* Repeated second semester on sufficient demand.

B. LITERATURE

201-202. English Literature. A survey course in the history and development of English literature from *Beowulf* to the present. Three classes a week, both semesters.

Prerequisite: English 101-102. *Six semester hours credit.*

211. Shakespeare. An elective three-hour course which consists of an intensive study of the four great tragedies—*Hamlet, Macbeth, Othello,* and *Lear*—and the study of representative plays from the histories and comedies. Other plays will be read as parallel.

Prerequisite: English 101-102. Three classes a week, first semester. *Three semester hours credit.*

222. American Literature. An elective three-hour course designed to acquaint the student with the major American writers and their works. The writers and their works will be studied against the background of the literary movements of which they were a part.

Prerequisite: English 101-102. Three classes a week, second semester. *Three semester hours credit.*

A. MUSIC

Students of varying degrees of advancement are admitted to the music department. However, to obtain college credit for any course in applied music, whether organ, piano, or voice, certain standards must be maintained. Therefore, a certain degree of advancement is assumed. Achievement tests in theory may be given to all students enrolling for piano or voice if college credit is desired. Supplementary theory instruction may be available to those students who lack sufficient knowledge of the necessary fundamentals of music. This would be considered part of the applied music course for all voice or piano students obtaining college credit for their lessons.

Students who wish to learn how to play or sing may study without receiving college credit. No quality points are earned, but their lessons will be counted in their college load of hours to be taken. This will enable a student to learn music though he has not had previous opportunity for study.

All students are encouraged to take two lessons a week, since they will learn more quickly and will do a better quality of work. Each student is required to practice a minimum of six hours per week whether obtaining credit or not. Voice or piano students of especial aptitude and degree of advancement are urged to do supplementary practice when possible.

Interviews to determine the pupil's ability to play or sing will be given during registration week by appointment with the instructors themselves. A voice student desiring credit must demonstrate his ability to sing on pitch and with musical intelligence by performing an art song, an old English melody or a song by a contemporary composer.

A piano student desiring credit should be able to play a Bach selection, an exercise of the difficulty of Duvernoy Op. 120 or Burgmuller Op. 100 and a piece of similar difficulty. Those majoring in piano should be prepared to play a movement from a Haydn, Mozart or Beethoven Sonata in addition to the above selections.

Those students who expect to major in music should take Theory 103-104 and two lessons of applied music their first year. They should take Theory 201-202 their second year. All should take two lessons of applied music. By special permission a second year student can take both theory courses at the same time if his previous musical and academic records are satisfactory to the instructor in the department.

Opportunities exist for performance in formal and informal recitals both on and off campus. All voice or piano students obtaining credit are required to appear in a certain number of afternoon and evening recitals. They are also required to attend all faculty recitals, to attend seventy-five per cent of student recitals, and to appear before the music board. Requests for participation on radio programs, club programs, and in churches are constantly being met.

A music club is to be organized. This will consist of students taking applied music.

1. ORGAN

21-22. PREPARATORY ORGAN. Before studying organ the student should show a proficiency in piano playing. Students of varying degree of advancement are admitted to this course. Stainer's "The Organ" will be used. Simpler church music and suitable hymn arrangements. *No credit.*

101-102. FRESHMAN ORGAN. Advanced technique. Bach's "The Liturgical Year" (Riemenschneider Edition), Bach's "Little Preludes and Fugues", Mendelssohn Sonatas and selections by Guilmant. More difficult material selected from course entitled Organ 103-104. *Six semester hours credit.*

103-104. FRESHMAN ORGAN. Manual and pedal technique and fundamentals of registration. Transposition of pedal and manual exercises, hymn playing and accompanying. Buck "Studies in Pedal Phrasing For The Organ" and Dickenson "The Technique and Art of Organ Playing". Bach Chorales, Bach "Little Preludes and Fugues", Guilmant and Batiste church preludes and offertories. *Four semester hours credit.*

201-202. SOPHOMORE ORGAN. Continuation of previous year's work. Pieces by Vierne, Purcell, Brahms, Pachelbel, Walther, Buxtehude, Mendelssohn, Widor, Dubois. *Six semester hours credit.*

203-204. SOPHOMORE ORGAN. Continuation of previous year's work with less difficult selections by the above composers. *Four semester hours credit.*

2. PIANO

21-22. PREPARATORY PIANO. Emphasis is placed on accurate fingering, correct hand position, rhythm, tone production and accuracy of text. Major and minor scales in comfortable tempo, triads and arpeggios. Books used include Felton "Adult Beginner's Book", Kohler Op. 157, Streabogg Op. 63, Bach Minuets, Chorales and suitable compositions from the classic and modern composers. *No credit.*

101-102. FRESHMAN PIANO. All major and minor scales, tonic, dominant seventh and diminished seventh arpeggios, chords and octaves at a comfortable tempo. Czerny-Liebling Vols. II and III, Heller-Philipp Vols. I, II, III. Bach Two-Part and Three-Part Inventions. Sonatas by Haydn, Beethoven and Mozart, together with varied selections from the romantic, impressionistic and modern composers. *Six semester hours credit.*

103-104. Freshman Piano. Material selected from the above course with substitutions when student is not sufficiently advanced. *Four semester hours credit.*

201-202. Sophomore Piano. Technical material as outlined in Freshman 101-102, but at a more rapid tempo. More difficult sonatas and compositions from the varied schools. *Six semester hours credit.*

203-204. Sophomore Piano. Material selected from among that outlined in Freshman 101-102, but more difficult sonatas, pieces and books will be taught. *Four semester hours credit.*

3. VOICE

21-22. Preparatory Voice. It is assumed that a student taking this course will either be a high school student, or a college student lacking sufficient piano and theoretical knowledge to enable him to obtain credit. *No credit.*

103-104. Freshman Voice. Fundamentals of good singing through use of the bel canto method; position and poise of the body; correct use and control of the diaphragm; development of freedom and flexibility of voice; good tone quality; distinct enunciation. Study of simple English, Italian and French songs. *Four semester hours credit.*

203-204. Sophomore Voice. Technical work of first year continued on more advanced basis. Further development of range and power. More difficult songs including arias from the standard operas. *Four semester hours credit.*

4. THEORY

101. Music Appreciation. This course is offered to non-music majors and is intended to furnish a background for the intelligent appreciation of music. No previous technical knowledge is necessary. Lecture material and outside readings supplement the use of music records. Two laboratory hours of record listening per week will be required. Prompt attendance at these is necessary. Two classes a week; may be offered either semester. *Two semester hours credit.*

103-104. Sight-Singing and Ear-Training. Offered to music majors and to those of similar musical comprehension. It includes fundamentals of music, notation, scales, chords, sight-singing, melodic and rhythmic

dictation. Less difficult keyboard and written harmony and elementary modulation. Five clock hours per week, both semesters. *Six semester hours credit.*

106. Choral Conducting. An elementary course in rudiments of conducting, building a choir, choosing voices, planning choral programs, directing the church choir, children's choirs, etc. Procedures for teaching new choral music. Open to students who have had training in voice, piano, organ, and other instruments, or with consent of instructor. Two classes a week; may be offered either semester. *Two semester hours credit.*

201-202. Harmony. Offered to music majors and to those of similar musical comprehension. It is a continuation of keyboard and written harmony but is a more advanced presentation. Three classes a week, both semesters. *Six semester hours credit.*

5. band, choir, and glee club

101-102. Band. Band try-outs will be held at the beginning of each year. Students who desire to take band should have played in a band for at least one year. Rehearsals will be held three hours each week throughout the year. *Two semester hours credit.*

105-106. Choir. The College Choir is composed of 40 voices chosen at the beginning of the year by the Director. Rehearsals are held three hours each week throughout the year. The works memorized include the compositions of modern and ancient composers. In the second semester the Choir prepares a concert program which is presented at various churches in the vicinity of the College. *Two semester hours credit.*

107-108. Glee Club. The Glee Club is a mixed chorus of thirty-five voices determined by auditions held at the beginning of the year. Rehearsals are held twice a week. Material studied includes secular selections for men's chorus, women's chorus, and mixed chorus. *Two semester hours credit.*

B. SPEECH AND DRAMATICS

1. speech

101. Fundamentals. A study of the mechanics of speech with special emphasis to defective speech habits and suggestions for their correction. This course includes oral reading, short speeches, and recordings for purposes of correction and instruction. Three classes a week, first semester. *Three semester hours credit.*

102. Public Speaking. A study in the art of preparation and presentation of public discussions. Special attention is given to developing the student's speaking personality. This course includes platform and radio speaking. Prerequisite: Speech 101. Three classes a week, second semester. *Three semester hours credit.*

103-104 and 203-204. Forensics and Debate. A course offering training in forensics and debate for students representing Gardner-Webb College in intercollegiate competition. The course may be taken in both the Freshman and Sophomore years for a total of four semester hours credit. Two classes a week, both semesters. *Two semester hours credit each year.*

2. dramatics

101-102. Play Production. Theory and laboratory work in directing, acting, scene-designing, costuming, lighting, make-up and stage settings are emphasized. Beginning with the one-act play and progressing to the more complicated three-act play, drama of literary merit is studied and produced. This course is designed to meet the needs of the amateur producer as well as to develop the individual's latent dramatic talents. Minimum of thirty-four classes and sixty-eight hours of laboratory. *Four semester hours credit.*

III. LANGUAGE

Mrs. Pollock Dr. Poston Miss Mabus

A. CLASSICAL

1. latin

101-102. Beginning Latin. This includes mastery of declensions and conjugations and a careful study of syntax. All basic constructions are learned, so that any simple Latin text may be read. Derivations of English words and an understanding of Roman background are stressed. Three classes a week, both semesters. *Six semester hours credit.*

201-202. Advanced Latin. Prerequisite: Latin 101-102 or its equivalent. A continuation of the study of Latin grammar with more difficult translation. History, political and military life, and customs of the Romans are studied further and additional English vocabulary gained through derivatives. Three classes a week, both semesters. *Six semester hours credit.*

2. GREEK

101-102. BEGINNING GREEK. A thorough study of the Koine Greek of the New Testament. Emphasis upon grammatical forms, translations into Greek and English, simple syntax. During the second semester selected portions of the Greek New Testament are read and exegeted. Text: *Beginner's Grammar of the Greek New Testament* by W. H. Davis. Five classes a week, both semesters. *Ten semester hours credit.*

201-202. ADVANCED GREEK. A comprehensive and detailed review of grammar with emphasis upon the syntax of the noun, the verb, and clauses. Advanced reading and exegesis of selected portions of the Greek New Testament. Text: *A Manual Grammar of the Greek New Testament* by Dana and Mantey. The differences between the Koine Greek and the Classical Greek will be studied. Students will be required to purchase the book *An Introduction to Greek* by Crosby and Schaeffer. Three classes a week, both semesters. *Six semester hours credit.*

203-204. SIGHT READING. A supplementary course in sight-reading. Selected passages from the Greek Testament will be read in class without preparation. This course may be taken along with Greek 201-202. One class a week, both semesters. *Two semester hours credit.*

B. MODERN

1. FRENCH

101-102. ELEMENTARY FRENCH. This is planned for those who have no knowledge of the language or who have not completed two units of high school French or its equivalent. It presents the simpler grammatical construction, introduces a practical vocabulary, and informs the student concerning French life, customs, and manners. This is done by means of reading, translation, dictation, and conversation. Three classes a week, both semesters. *Six semester hours credit.*

103-104. INTERMEDIATE FRENCH. Prerequisite: French 101-102 or two units of high school French or its equivalent. This is a continuation of the work begun in French 101-102. It consists of a thorough review of grammar and composition, a study of French civilization, and the reading of selections from such authors as Alphonse Daudet and Anatole France. Conversation based on reading and on current events adds interest to the class activities. Three classes a week, both semesters. *Six semester hours credit.*

201-202. French Literature. Prerequisite: French 103-104 or its equivalent. This is a survey course covering the literature of France from the Old French period through the first thirty years of the present century. The causes and development of the various literary movements are stressed. Particular attention is given to the literature of the Renaissance and to French Classicism, Romanticism, and Realism. Three classes a week, both semesters. *Six semester hours credit.*

2. SPANISH

101-102. Elementary Spanish. This course is planned for those who have little or no knowledge of the language and people of Spain and Hispanic America. It presents the fundamentals of grammar and composition, a basic vocabulary, and the most used idioms. It attempts to make possible the practical use of the language by reading, dictation, and conversation. Phonograph records are used for ear training. Three classes a week, both semesters. *Six semester hours credit.*

103-104. Intermediate Spanish. Prerequisite: Spanish 101-102 or two units of high school Spanish. This course, a continuation of Spanish 101-102, is planned to review grammar and composition, to enlarge vocabulary, to encourage the use of current idiomatic construction, to develop more accurate aural perception, and to stimulate an interest in, and understanding of the literature and lives of the Spanish speaking people. Some of the texts used present the history of South America from the era of exploration and colonization through the securing of independence from Spain by the colonists. Other texts present the social, political, and economic problems of the modern nations. Phonograph records made by native speakers add interest to the class work and help to develop aural perception. Three classes a week, both semesters. *Six semester hours credit.*

201-202. General Survey of the Literary and Cultural Heritage of Spain. Prerequisite: Spanish 103-104 or its equivalent. This course merely touches upon current problems of Spain. Emphasis is upon the economic, political, social, and cultural development of the nation and their influence on the literature. Three classes a week, both semesters. *Six semester hours credit.*

IV. NATURAL SCIENCE AND MATHEMATICS

Mr. Dixon	Mr. Moseley	Mr. Stacy
Mr. Hudson	Mrs. Miller	Mr. Godwin

A. NATURAL SCIENCES

1. BIOLOGY

101-102. General Biology. A general introductory course in Biology designed to acquaint the student with basic characteristics of living matter, including a survey of plant and animal kingdoms. Metabolism, growth, reproduction, heredity, and other biological concepts are studied. Two classes and two, two-hour laboratory periods a week, both semesters. *Eight semester hours credit.*

2. CHEMISTRY

101-102. General Inorganic Chemistry. Introduction to Chemistry emphasizing fundamental laws and theories of chemical principles and their application.

Subject matter covered includes atomic structure, problems and equations, oxidation-reduction, nuclear and organic chemistry in addition to the study and preparation of the more common elements and compounds, with the periodic chart as the background of theory. Three one-hour lectures and one three-hour laboratory per week. *Eight semester hours credit.*

3. PHYSICS

201-202. General Physics. A study of basic college physics. Mechanics and properties of matter, heat, wave motion, sound, light, magnetism, and atomic physics. Prerequisite: Mathematics 101, 102, or 111, 112. Three one-hour lectures and one three-hour laboratory period per week, both semesters. *Eight semester hours credit.*

B. MATHEMATICS

27. Plane Geometry. The geometrical concepts are fully developed and the basis of congruence is thoroughly taught. From that point on the course moves rapidly with a wide application of geometric facts to many, varied problems. Stress is given to mensuration, congruence, and similarity. The purpose of this course is to teach students processes of analytical thinking and of critical evaluation of data. Three classes a week, one semester. *No college credit.*

101. College Algebra. This is basic functional mathematics for all types of college students (business, actuarial, and others). Content: fundamentals, special products and factoring, fractions, linear equations, exponents and radicals, quadratic equations, systems and quadratics, ratio, proportion, variation, the binominal theorem, progressions, theory of equations. Three classes a week, first semester. *Three semester hours credit.*

102. Plane Trigonometry. Functions of acute angles and logarithms are given substantial application. Then the functions of the general angle are developed with attention to the associated theory. Emphasis is given to the practical side of trigonometry; extraction of roots; logarithmic calculations; construction of vectors; and calculations of areas, distances, and directions. The content includes identities, oblique triangles, composite angle, mil, radian, and inverse functions. Three classes a week, second semester. *Three semester hours credit.*

106. Solid Geometry. Prerequisite: Plane Geometry. Spatial concepts are thoroughly developed. Mensuration is stressed. Attention is called to formulas that will be useful in physics, engineering, and advanced mathematics. Two classes a week, second semester. *Two semester hours credit.*

104. Mathematics of Finance. This course deals with simple and compound interest laws, annuities, sinking funds and amortization, depreciation, bond evaluation, insurance, and other applications. Three classes a week, second semester. *Three semester hours credit.*

MATHEMATICS FOR ENGINEERS

Students who plan to study engineering are required to take Mathematics 111, 112, and 113. These courses are recommended for those who plan to major in mathematics.

111. Algebra for Engineers. The first part of this course is the same as Mathematics 101. The last part is devoted to a more complete study of mathematical induction, inequalities, theory of equations, and partial fractions. Six days a week, first twelve weeks. *Four semester hours credit.*

112. Trigonometry for Engineers. The first part of this course is the same as Mathematics 102. During the last few weeks consideration is given to inverse functions, complex numbers, and the solution of spherical triangles. Six days a week, second twelve weeks. *Four semester hours credit.*

113. Analytical Geometry. A study of the relations between curves and their equations. Loci of equations, straight line, circle, parabola, ellipse, myperbola, general second degree equation, polar co-ordinates, transformation, parametric equations and transcendental functions. Six days a week during last twelve weeks. *Four semester hours credit.*

201-202. Differential and Integral Calculus. A course in the fundamental principles of calculus including the formulas for differentiation of algebraic and transcendental functions with application to geometry and to problems in rate, maxima and minima, curve tracing, curvature, areas, volumes, work, pressure, velocity and acceleration.

Integration of algebraic and transcendental functions, definite integral, with applications to problems in area, volumes, lengths of arcs, surfaces, centroids, pressure, force, work. Indeterminate forms, methods of integration, and series. Four classes a week, both semesters. *Eight semester hours credit.*

C. PSYCHOLOGY

201. General Psychology. A study of the basic facts and principles of psychology. This course is designed to acquaint the student with the scientific aspect of psychology and provide a basis for further study. Open only to students of sophomore standing. Three classes a week, first semester. *Three semester hours credit.*

202. Educational Psychology. Designed to give the prospective teacher a survey of the learning process, the teaching personality, and maturation as it relates to the curriculum. Special emphasis is given to motivation, learning and retention, and interest as these relate to the school setting. Prerequisite: Psychology 201. Three classes a week, second semester. *Three semester hours credit.*

V. PHYSICAL EDUCATION AND HEALTH

Mr. Harris Mr. Blackburn Mrs. Miller

PHYSICAL EDUCATION

Each student is required to register for Physical Education each semester. In unusual cases he may be excused by the Dean. While participating in a major sport, a student is not required to attend regular classes. (Students admitted to these courses are expected to wear regulation uniforms which may be purchased from the College Book Store.)

COURSES FOR MEN

101. Physical Education. Freshmen men. Consists of calisthenics, running, combative, rope jumping, rules and techniques of team sports. Two classes a week, first semester. *One semester hour credit.*

102. Physical Education. Freshmen men. Drill, basketball, volleyball, tumble, track and field work, badminton, and archery. Two classes a week, second semester. *One semester hour credit.*

103. Physical Education. Sophomore men. Same content as Physical Education 101 with emphasis on actual participation in team sports. Two classes a week, first semester. *One semester hour credit.*

104. Physical Education. Sophomore men. Adult sports for recreation: volleyball, tennis, croquet, ping pong, badminton, shuffleboard, horseshoes, and archery. Two classes a week, second semester. *One semester hour credit.*

105-106. Physical Education. Adaptive physical education for the handicapped or those unable to participate in the regular activities. Corrective exercises, adaptive games. This course is designed to fill the individual needs of students who require special attention. Two classes a week, both semesters. *Two semester hours credit.*

COURSES FOR WOMEN

101-102. Physical Education. Freshmen women. Beginners' archery, volleyball, basketball, stunts and tumbling, tennis, folk dancing, and calisthenics. Two classes a week, both semesters. *Two semester hours credit.*

103-104. Physical Education. Prerequisite: Sophomore standing. Advanced volleyball, basketball, stunts and tumbling, folk dancing, tennis, and recreational sports. Two classes a week, both semesters. *Two semester hours credit.*

105-106. Physical Education. Adaptive physical education for the handicapped or those unable to participate in the regular activities. Corrective exercises, adaptive games. This course is designed to fill individual needs of students who require special attention. Two classes a week, both semesters. *Two semester hours credit.*

HEALTH

101. Health. The textbook used, *Personal and Community Hygiene Applied*. Elementary physiology and anatomy are taught in so far as they are related to the desired objectives in personal health and community hygiene. Two classes a week, one semester. *Two semester hours credit.*

VI. RELIGION

A. BIBLE

Dr. Poston — Miss Jones
Mr. Allen — Mr. Lamm

101-102. Bible. A survey of the entire Old and New Testament Scriptures with an effort to understand the story of revelation of Divine Truth and the means used in accomplishing it. Attention will be given to types of literature, translations, and methods of interpretation with the intention of furnishing the student with a broad and well-rounded storehouse of knowledge of the Scriptures as a background for future reading and for more advanced and detailed study. This course is required of all graduates. Three classes a week, both semesters. *Six semester hours credit.*

201-202. Bible. This course is designed especially for students who have had Bible 101-102. The first semester is an intensive study of the Life and Teachings of Christ, with special emphasis given to His Parables and Miracles. The second semester is an intensive study of the Life and Letters of Paul. The principles of Biblical interpretation are used throughout the two semesters. A student may take either one or both semesters. Prerequisite: Bible 101-102. Three classes a week, both semesters. *Six semester hours credit.*

B. RELIGIOUS EDUCATION

101. Studies in Religious Education. A careful study of the aims, methods, agencies, and curriculum activities of the school, the training program, and specialized services of the church: religious drama, visual aids, worship, stewardship, missions. Two classes a week, first semester. *Two semester hours credit.*

102. Church Administration. A survey of the work of the church including over-all pastoral leadership and lay leadership in Sunday School, Training Union, and other activities of the local church, and the relationship of the local church to other churches: doctrines, ordinances, officers, and government. Consideration is directed to the church covenant, constitution, by-laws, committees, employed help, budget, and publicity. Two classes a week, second semester. *Two semester hours credit.*

201. The Church and Its Organizations—The Sunday School and Brotherhood. A survey of the department and class Sunday school as to

purpose, method, grading, reaching the constituency, securing and training workers, obtaining and using space, and dealing with problems.

A study of Brotherhood movement as to origin, methods, aims, and program of work in the local church. Two classes a week, first semester. *Two semester hours credit.*

202. The Church and Its Organizations—The Training Union and W. M. U. A survey of Training Union as to purpose, methods, grading, organizational set-up in unit and departmental organizations. A study of the value of a training program in the church.

A careful study of W. M. U. methods and the program of work set forth in missionary education of the members of the local church. Two classes a week, second semester. *Two semester hours credit.*

VII. SOCIAL SCIENCE

Mr. Jolley Mr. Terrell Mr. Burris

A. HISTORY

101-102. Western Civilization. An historical survey of the civilizations of the Western World. The Greco-Roman heritage is given considerable attention as a background for the study of contemporary Western culture. Great ideas are given equal place with great events in this introductory study of the forces which have shaped our modern world. Three classes a week, both semesters. *Six semester hours credit.*

201-202. American History. Prerequisite: Sophomore standing. A survey of the principal forces and movements which have formed the United States of today. Three classes a week, both semesters. *Six semester hours credit.*

B. GOVERNMENT

201. United States National Government. Prerequisite: Sophomore standing. A critical study of the underlying principles, practice and structure of the government of the United States. Three classes a week. one semester. *Three semester hours credit.*

202. Modern Foreign Governments. A study of the elementary aspects of the political institutions of England, France, West Germany, the Union of Soviet Socialist Republics and Japan. Emphasis is placed upon the general principles of government as seen through comparative study. Three classes a week, one semester. *Three semester hours credit.*

C. ECONOMICS

203. Economics. This course deals with fundamental laws and principles of Economics with some consideration of current policies and problems. Prerequisite: Sophomore standing. Three classes a week, one semester. *Three semester hours credit.*

D. SOCIOLOGY

202. Introductory Sociology. This is an introduction of the study of society, providing essentials for an intelligent understanding of the forces making for group life and for specialized study of sociological problems. Sophomore elective. Prerequisite: Sophomore standing. Three classes a week, one semester. *Three semester hours credit.*

VIII. VOCATIONAL ARTS

Mr. Henson Mrs. Logan

A. SECRETARIAL SCIENCE

105-106. Shorthand. Fundamental principles of Gregg Shorthand with special emphasis on accuracy and speed. Dictation and transcription accompany the pursuit of fundamental perfection in shorthand. Three classes a week, both semesters. *Six semester hours credit.*

107-108. Typing. Typewriting is recommended to anyone wishing to become proficient in the touch system of typewriting whether or not he expects to do secretarial work. This topic is designed to give a real working knowledge of all parts of the typewriter and a complete command of the keyboard through finger concentration and accuracy drills, consisting of interesting word, sentence, and paragraph work. Practice in typing clean, correct business letters is emphasized. Three classes a week, both semesters. *Four semester hours credit.*

204. Secretarial Practice. This course acquaints the student, through actual laboratory experience, with the major and minor activities and duties of the secretary. It is designed to bring into the classroom as much as possible the office atmosphere. Personality, filing, and use of office machines are emphasized. In this course the student has the use of a complete dictaphone outfit, several electric adding machines, and a posting machine. Three classes a week, second semester. *Three semester hours credit.*

205-206. Shorthand. Training in the editing duty of the private secretary is part of this course. For credit in this course, the student must be able to take new-matter dictation at one hundred words per minute and transcribe it at least forty words per minute. Three classes a week, both semesters. *Six semester hours credit.*

207-208. Typing. This course is designed to increase speed and improve efficiency. Definite budgets of graduated difficulty are required. Three classes a week, both semesters. *Four semester hours credit.*

B. BUSINESS ADMINISTRATION

111. Introduction to Business. A basic course in the organization, functions, operation, controls, and problems of business enterprise. *Three semester hours credit.*

112. Business Finance. An introduction to principles governing financial operations of business enterprises with emphasis upon the problems of the small business unit. The financial consideration in promotion and the selection of the form or organization, financial functions and organizations, bank and trade credit, and failure and expansion of a small business are considered. Prerequisite: Introduction to Business 111 or Accounting 113. Second semester. *Three semester hours credit.*

113-114. Accounting Principles. This course acquaints students with present day methods of keeping and interpreting business records and reports. Emphasis is given to the study of special journals, notes, interest, deferred charges, discounts, and columnar records. The student completing this topic will have two actual sets of books: one set in sole proprietorship and one in partnership. Two double classes a week, both semesters. *Six semester hours credit.*

211. Business Law. A study of law as it applies to ordinary business transactions, including the making of contracts, principal and agent, negotiable instruments, principal and surety, insurer and insured. Its primary purpose is to give students an understanding of the essential laws that affect business and social life. First semester. *Three semester hours credit.*

212. Business Law. A continuation of Business Law 211. Study covers bailments, sales, partnerships, corporations, real estate, torts, and business crimes. Prerequisite: Business Law 211. Second semester. *Three semester hours credit.*

213. Intermediate Accounting. Designed to train students to analyze problems and apply the accounting principles involved. A study of advanced accounting theory and application to specific situations through a series of graded problems. Prerequisite: Accounting Principles 113-114. First semester. *Three semester hours credit.*

215. Cost Accounting. An introduction to the study of cost accounting. Attention is given to the accounting procedure necessary to accomplish correct results and to acquire familiarity with the utilization of forms in cost accounting. Methods of finding the cost of specific orders or lots and fundamentals of process costs are emphasized. This is followed by a study of standard costs and analysis and distribution of cost data. Prerequisite: Accounting 113-114. First semester. *Three semester hours credit.*

216. Principles of Retailing. A presentation of the fundamental principles and practices of retailing. Such topics as store location, merchandise classification, arrangement, types of store organization, personnel, merchandising, control, and general operating activities are thoroughly reviewed. Second semester. *Three semester hours credit.*

ALUMNI ASSOCIATION

Membership—All former students, graduates and non-graduates, are considered members of the Alumni Association. All are invited to become active members by making a contribution of not less than $2 annually toward the work of the association.

Meetings—A general business meeting and banquet is held once each year during the College commencement, at which time the directors and officers of the organization are elected and other matters of business attended to. The president of the association has authority to call a special meeting of the association at any time and place he may choose for the purpose of transacting any business pertaining to the work of the association.

Purpose—The purpose of the Alumni Association is to provide an opportunity for the alumni to express their interest for the College in voluntary service, to organize local chapters, to keep in constant touch with the members of the association, and to promote the welfare of the entire College to the mutual benefit of both the College and the alumni.
